

Further information - standards for pre and post registration education programmes

We have provided the following references and links to education resources for information only. Although we have included them on our website, you should not take this to mean that we are making a recommendation. We cannot accept any responsibility for the availability, or contents of any of these materials, or websites.

The list is not meant to be a full one. Full contact details for the professional bodies can be found on our website at www.hcpc-uk.org/aboutregistration/professions/

If you would like to propose a change, you can email the Education Department at education@hcpc-uk.org

This document should be read in conjunction with the Standards of education and training guidance, available on our website at www.hcpc-uk.org/education/standards/
