Introduction

About the HCPC
We are the Health and Care Professions Council. We are a regulator of health and care professionals and our job is to protect the health and wellbeing of people who use the services of the health and care professionals registered with us.

To protect the public, we set standards that health and care professionals must meet. Our standards cover health and care professionals’ education and training, behaviour and professional skills. We publish a Register of health and care professionals who meet our standards.

We currently regulate 16 professions.
- Arts therapists
- Biomedical scientists
- Chiropodists / podiatrists
- Clinical scientists
- Dietitians
- Hearing aid dispensers
- Occupational therapists
- Operating department practitioners
- Orthoptists
- Paramedics
- Physiotherapists
- Practitioner psychologists
- Prosthetists / orthotists
- Radiographers
- Social workers in England
- Speech and language therapists

How we are run
We are governed by legislation called the Health and Social Work Professions Order 2001. This lays out our responsibilities and it gives us our legal authority to carry these out. We have a Council which is made up of registered health and care professionals and members of the public. This Council sets our strategy and policy and makes sure we are fulfilling our duties under the Health and Social Work Professions Order.

About registration
Health and care professionals must register with us in order to use the protected title for their profession. This means that even if you have completed a course in, for example, physiotherapy, you are still not able to call yourself a physiotherapist unless you are registered with us.

Registration shows you meet our standards for your profession. Registration shows the public that health and care professionals are fit to practise and they are entitled to use the protected title(s) for their profession. It shows the people on our Register are part of a profession with nationally recognised standards set by law.

When we say someone is ‘fit to practise’, we mean they have the skills, knowledge and character and health to do their job safely and effectively.

Applying for registration
The information provided by applicants helps us to know that:
- they are who they say they are;
- they meet our standards; and
- we can contact them if we need to.
Meeting our standards
Everyone on our Register must meet the standards of proficiency we have set. The standards of proficiency are the professional standards which health and care professionals must meet in order to be registered. If you need a copy in an alternative format, please contact us. Our contact details can be found at the front of this form. The standards of proficiency are made up of generic standards, which all registered health and care professionals must be able to meet, and profession-specific standards, which apply to each profession.

Protected titles
Each of the professions we regulate has at least one protected title. Anyone who uses one of these titles must be on our Register. Anyone who uses a protected title who is not registered with us is breaking the law and could be prosecuted.

Applying through the international application process
The international application form is for those who do not hold an approved UK qualification but have gained their professional qualification outside of the United Kingdom (UK).

General information on completing the forms
To make sure we can process your form, please complete it in black ink and block capitals. Please mark boxes with a cross. If you run out of space please continue on a separate piece of paper. You must answer all the questions as fully as possible.

PLEASE NOTE: the HCPC will only retain an electronic copy of your application. The paper version of an application and any supporting documents are destroyed once it has been processed. Original documents should not be included with your application and the HCPC accepts no responsibility for the destruction of any original documents which are submitted as part of an application.

Sending us your application
Please send your application when you are ready to start practising your profession and / or using the protected title(s).

Important points
• Please ensure the address you provide is accurate and that you can be sure to receive correspondence from us.
• We cannot guarantee the outcome of an application, so you are advised not to make arrangements that are reliant on you being registered (eg starting a job).
• Applicants that choose to make travel or work arrangements before knowing the outcome of their application do so at their own risk.
• It is preferable to apply directly to HCPC. However, if you apply with the assistance of an agency make sure they are reputable and be aware that you remain responsible for the information you supply on your application form.

What happens next?
The average processing time for applications may vary depending on the volume of applications received. However, HCPC will endeavour to:
• acknowledge receipt of an application within one month of the date of receipt; and
• assess your application and advise you of the initial decision within a further three months from the date of acknowledgment.

If your application is approved, we will contact you to ask you to pay a registration fee. Once this fee has been received and processed, you will be allocated a registration number and your name will appear on the HCPC online Register. The online Register is available to view on our website at www.hcpc-uk.org. This is the best way for you to check you are registered and for your employer to verify your registration status.

Contact us
If you cannot find the answer to your query in these guidance notes please contact us. Please see page one for our contact details.
Certified documents
In the section below, we explain what documents you must send with your application to verify your identity. These documents must be certified as a true copy of the original by a person of professional standing in the community. This means that the person you ask to certify your document(s) must write on it: "I certify that this is a true copy of the original document" and must sign it and print their name and professional title. A professional person (e.g., a registered professional, a solicitor, barrister or other legal practitioner or an accountant) will be recognised as a person of standing in the community as will a:

- a bank manager;
- a Justice of the Peace or other judicial official;
- a minister of the Church, Rabbi, Imam or other recognised religious official;
- a Member of Parliament, Member of Scottish Parliament, Member of the Northern Ireland Assembly, Member of the Welsh Assembly;
- an Officer in HM Armed Forces;
- a teacher or lecturer; or
- a registered health and care professional.

This is not an exhaustive list and if you have any questions as to whether a person is considered to be a person of professional standing in the community please contact us.

Verifying your identity
We ask all applicants to provide us with a legible certified photocopy of:

- a document containing your photograph; and
- a document proving your current address.

Documents you may consider sending us include:

- current signed full passport;
- national identification card and/or other valid documentation relating to immigration status and permission to work in the UK;
- current valid driving licence;
- current benefit book or card or original notification letter from the appropriate government department;
- marriage or civil partnership certificate;
- confirmation from an Electoral Register*;
- recent utility bill*;
- local authority tax bill (valid for the current year);
- bank, building society or credit union statement or passbook containing current address*;
- recent mortgage statement from a recognised lender*;
- current local council rent card or tenancy agreement.

* If these documents are submitted, the date should be within the last six months. If you are sending a bank or building society or credit union statement please black out the account number and sort code details.

The Health and Care Professions Council (Registration and Fees) Rules 2003 authorises the HCPC to seek additional information about a registration applicant from any person or source it considers appropriate, for the purpose of satisfying itself as to the good character of that applicant. As your application may be subject to such further background checks, please complete and return the background check consent form in section 13 of the application pack.

If you cannot provide photographic documentation
If you are unable to provide photographic documentation, you should provide us with a passport sized photograph of yourself. This should be endorsed on the back with the signature of a person of standing in the community who has known you for at least three years. The photograph should be accompanied by a signed statement from that person, indicating the period of time that you have been known to them. They should also provide us with their contact details. Please refer to Certified Documents for a list of acceptable people.
Translation of documents
If you submit documents that are not in English, you must also provide us with certified English translations. If you are applying from abroad, the British Embassy, Consulate or High Commission may be able to help you find a translator. In the UK, your own Embassy, Consulate or High Commission may be able to help.

Please note:
• All completed application forms are the property of HCPC and should be returned to us. Please do not send us documents which you would like to be returned to you.
• Please read the checklist carefully and provide all the appropriate items / documents.
• Please make sure your contact details are kept up to date.
• All references and the declaration of information must be dated within six months of the date your application is received by HCPC.
• We will process your application and endeavour to tell you the decision as quickly as possible. Please do not make any arrangements or incur any expenses which depend upon the approval of your application with us. We will not accept liability for any loss or expenses incurred as a result of the above.
• It is illegal to use a protected title unless you are registered with us. It is illegal to claim you are registered with the HCPC when you are not.

Application process overview

All applications are checked in HCPC’s offices for completeness; once they are deemed to be complete they are ready to be assessed by registration assessors (members of the relevant profession). The assessment is based on the standards of proficiency for each profession. The assessors pass their recommendations to the Education and Training Committee who make the decision on your application. The HCPC also conducts verification checks to confirm an applicant’s professional experience, education and training.

Two types of international applications: EEA and International

Applicants who are citizens of an EU or EEA member state or Switzerland and who are fully qualified to practise in a relevant European State other than the United Kingdom may have mutual recognition rights under EU Directive 2005/36/EU.

For this purpose a relevant European state means the member states of the European Union (EU), the European Economic Area (EEA) and Switzerland: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Éire (Republic of Ireland), Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, The Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and the United Kingdom.

To assert your mutual recognition rights you must show that you are an EU, EEA or Swiss national or an exempt person (by providing a certified copy of your passport or other relevant documentation) and establish that you are fully qualified to practise in a relevant European State other than the United Kingdom (for example, by providing the proof of legal establishment to practice in another European State).

We refer to those exercising mutual recognition rights as ‘EEA applicants’.

We refer to those who do not hold mutual recognition rights as ‘International applicants’.
Outcomes of an application

Incomplete applications
If your application is incomplete we will return it and ask you to resubmit it. Please do not send individual documents separate from your application as these will be returned to you. We will use the information you provide for a number of purposes. This can include contacting organisations and individuals named in your application, including professional bodies, universities, places of work and referees.

Successful applications
If your application is successful, we will:
• put your name on the Register subject to payment of your registration fee;
• send you a letter on the day we register you; and
• send you a registration certificate and authentication card.

With your name on our Register you will be able to practise using the relevant title(s) of your profession.

The publicly available Register shows:
• name;
• registration number;
• profession of registrant;
• duration of current registration;
• approximate geographical area in which the registrant practise (e.g. Guildford - not full address);  
• registration status; and
• annotation (if applicable).

Providing further verification
If a decision cannot be made based on your application, you may be asked to provide further verification to support your application for registration.

International applicants

Test of competence
If a decision cannot be made based on your application, you may be asked to undertake a test of competence. A test of competence may cover any of the following for the purposes of determining whether you are proficient in relation to:
• knowledge and understanding of the nature and ethical basis of your profession;
• understanding the key concepts of the bodies of knowledge relevant to your profession;
• assessment, before and during the provision of professional services* and the preparation of case histories or exemplars;
• the selection of appropriate professional services*;
• the delivery of professional services*, the evaluation of the response to them and their effectiveness;
• giving advice concerning any professional services*;
• communication with service users, other professionals and other service providers, which may include assessment of the need for referrals or second opinions; and
• record keeping.

*For this purpose ‘professional services’ means any treatment, therapy, consultation, intervention or other provision of services.

A test of competence may be conducted as an oral or written test (or both) and may include a test requiring a practical demonstration. A test of competence will be conducted by assessors who will be registered practitioners from the same part of the Register.
Rejected applications
Your application may be rejected if we believe you do not meet our standards of proficiency or our health and character requirements. Please note your application can only be assessed based on the information you provide with your form. If your application is rejected you can appeal against the decision. You may also reapply, submitting a new form, supporting documents and registration fee.

Your right of appeal against the final decision to reject your application arises if you believe that:
• the decision to reject your application is wrong; and
• you meet the standards of proficiency; and
• you meet the HCPC’s character and health requirements.

If you appeal, you will need to provide the grounds for your appeal (i.e. why you believe that the decision taken is wrong) and follow the appeals procedure.

EEA applicants
Adaptation period and aptitude test
Those applicants with mutual recognition rights may be asked to undergo an adaptation period in case they do not meet all the standards of proficiency relevant to their profession at the point of application. They may also choose to take an aptitude test in place of their recommended adaptation period.

Fraudulent applications
If you falsify information about your identity or any other aspect of your application, the HCPC will suspend your application pending an investigation. If such information becomes known to us after you have been registered, an investigation will be launched and your registration may be suspended or terminated. It is a criminal offence to fraudulently obtain registration with the HCPC. You may be committing a criminal offence if you supply false information and you may be prosecuted.

The appeals process
If your application is rejected you have 28 days following the date of the letter rejecting your application to write to us setting out concise grounds of appeal against the decision. We will then provide you with further information on the appeals process.

**Section 1 Registration details**

**Previous applications**
If you have previously applied for registration with the HCPC, the Health Professions Council (HPC) or our predecessor the Council for Professions Supplementary to Medicine (CPSM), please tell us:

- your application number;
- when you applied (an approximate date if you cannot remember exactly);
- the type of application you made (eg UK, international, grandparenting); and
- any further information (eg you withdrew your application).

**Social workers only**
The GSCC is the General Social Care Council, which was the regulator of the social work profession and education in England until 1 August 2012. The other three UK care councils are the Scottish Social Services Council (SSSC), the Care Council for Wales (CCW) and the Northern Ireland Social Care Council (NISCC) in Scotland, Wales and Northern Ireland respectively. If you have ever been registered or applied for registration with any of the above councils, please tell us:

- your registration (or application) number;
- when you applied (an approximate date if you cannot remember exactly); and
- any further information (eg you withdrew your application).

**Section 2 Contact details**

It is essential that your personal contact details are kept up to date. This is a requirement of the Health and Social Work Professions Order 2001. For security reasons we are unable to accept changes of personal details by email.

**Name change**
If the name you wish to be included on the HCPC Register differs from the name you qualified in or the name on your identification documents, you will need to provide a certified photocopy of the relevant document (eg marriage certificate / deed poll).

**Home address**
We ask you to give us your main home address. This address is not published on the publicly available Register, but is required by us for all HCPC correspondence. You can change your address over the telephone or by writing to us.

**Work address**
The work address you give us should be for your main place of work if it is relevant to your profession. Members of the public will be able to see on our Register the approximate geographical area in which you practise. If you are not currently practising you can leave this section blank and contact us as soon as you are able to give us a work address. You can change your address over the telephone or by writing to us.

**If you change your home or work address either during the application process or after you are registered, you must notify us.**

**Agencies**
All correspondence from HCPC will be sent to the applicant only. This means you must provide a home address and not the address of an agency. Please be aware if you provide an agency address your application will be returned to you.
Section 3 Regulatory body membership

If your profession is regulated in the jurisdiction where you currently live or work you should enter the details of your registration here. A distinction should be made between a regulatory body and a professional body. You can enter details of membership of any professional body in Section 4.

Section 3 should be used to inform us of any registration you may currently (or most recently) have with a regulatory body. Please tell us the title under which you are registered in the original language. If you have been registered with a number of regulatory bodies in the past please complete the details in Section 8 (career history) of the application form relating to each position you have held.

If your profession is not currently regulated in your home jurisdiction it will not affect your application. Your application will be assessed on whether or not you meet our standards of proficiency. Similarly, if you are registered with another regulatory body their standards may be different from ours and therefore it does not guarantee that you will be accepted for registration with HCPC. You must still demonstrate that you meet the HCPC standards of proficiency.

Applicants exercising mutual recognition rights should provide a certified attestation of legal establishment to practice in another relevant European State.

Section 4 Professional body membership

If you are a member of any professional body please enter the details in Section 4 of the application form.

Section 5 Character and health self declarations / Vetting and Barring schemes

We must check the health and character of everyone that applies to join our Register. This is to make sure that applicants will be able to practise safely and effectively within their profession. We can also take action against a registrant if their health and character raises concerns about their ability to practise safely and effectively.

When making decisions about character, we look at whether someone is of ‘good character’ or whether there is any evidence of past actions which might suggest that the person is not of ‘good character’. Evidence that someone might not be of ‘good character’ could include evidence of untrustworthiness, dishonesty, actions which harmed a service user or a member of the public or actions which might affect the public’s confidence in the registered professions.

When we talk about ‘health’ we mean health conditions which may affect an applicant’s fitness to practise. We are not asking whether an applicant is ‘healthy’. This is because someone may be unwell or may have a health condition which they manage appropriately but they may still be able to practise their profession safely. We do not need information about any health condition unless it affects your fitness to practise. We recognise that a disability may not be seen as a health condition. So, we only need information about a disability or health condition if it affects your fitness to practise.

Having a disability should not be seen as a barrier to becoming a health and care professional. We have produced guidance for disabled applicants called A disabled person's guide to becoming a health and care professional which you should refer to for more information on this issue.

If you answer ‘yes’ to any of the questions in this section, please read our brochure Guidance on health and character which can be found on our website at www.hcpc-uk.org/publications

Character

You must declare to us any convictions or police cautions that you have received. Failure to do so may lead to you being removed from the Register.

The Rehabilitation of Offenders Act 1974 does not apply to an application for admission to the HCPC Register so any declaration must include convictions or cautions which are ‘spent’ under that Act, other than a protected conviction or protected caution.
Some convictions and cautions are ‘protected’ from disclosure. That protection (which is sometimes referred to as “filtering”, as the conviction or caution will be filtered from the information included in any disclosure certificate) is provided by the following Orders:

- in Scotland: the Rehabilitation of Offenders Act 1974 (Exclusions and Exceptions) (Scotland) Order 2013;

A conviction or caution will NOT be protected if it is for a ‘listed offence’ under one of those Orders. Listed offences include serious violent and sexual offences and offences which are of specific relevance to the safeguarding of children and vulnerable adults. A conviction or caution for a listed offence must always be disclosed to the HCPC.

Further guidance on protected conviction and cautions and listed offences may be found on the following websites:

- In England and Wales, the Disclosure and Barring Service: (www.gov.uk/government/organisations/disclosure-and-barring-service)
- In Scotland, Disclosure Scotland: (www.disclosurescotland.co.uk)
- In Northern Ireland, AccessNI: (www.nidirect.gov.uk/campaigns/accessni-criminal-record-checks)

**Health**

You are also asked to provide us with information about your health that may affect your practice, this does not necessarily mean we will not register you. Instead, we will consider the information provided to decide whether we need to ask a registration panel to consider your application.

**Vetting and Barring**

Vetting and Barring schemes have been introduced across the UK to make sure that unsuitable individuals are not able to work with children or vulnerable adults.

You must tell us if you have been barred under either the Protection of Vulnerable Groups Act 2006 and / or the Protection of Vulnerable Groups (Scotland) Act 2007 from working with children or vulnerable adults.

### Section 6 Education and training

You should enter details of your professional qualification here. Your professional qualification may be a diploma, certificate, degree or another qualification relevant to the profession in which you wish to register. You can also include any supplementary training or qualification you may have done in relation to your chosen profession (eg training courses, seminars). However, we do not usually need details of your general education (eg high school or secondary school) unless it is directly relevant to your practice as a health and care professional.

If you have gained further qualifications in your chosen professional field you can enter the details in the space provided and continue on a separate sheet if necessary.

**Course information**

You must include a course information form with your application. Failure to do so will result in your application being returned to you. The course information form provides us with details of the theoretical and practical content of the courses you have successfully undertaken. The course information form is not in your application pack, but is available on the HCPC website as a Microsoft Word file. The form must be downloaded and sent to your training institution or university as an email attachment. Alternatively direct them to the HCPC website: www.hcpc-uk.org/apply/international/forms/

The training institution or university can type the information into the field boxes - which can be expanded according to the text that is entered.

The information provided should include the scope of the course content and the method by which the assessment was made. They are advised to use the profession specific standards of proficiency as a guide. This information may be taken from a syllabus, but must only include those parts of the course you have studied. In addition, we ask that you specify the percentage of practical assessment that contributed to the overall course. You must provide a breakdown of the number of theoretical and practical hours by module. This information is likely to be several pages long.
If sufficient detail is provided, the training institution or university may wish to retain the form as a template for future use when applicants with the same course background apply in the future.

Please ensure that the form is stamped with the training institution or university’s official seal before they send it back to you.

Please provide contact details for course administrator / leader. This will help us conduct necessary verification checks.

Section 7 Language proficiency

Each registrant must be confident that they can communicate effectively in English in order to meet our standards of proficiency unless you are exempt because you are a citizen of a relevant European State.

You must declare whether English is your first language or not. You should only indicate English is your first language if it is the main or only language you use on a day-to-day basis.

Having studied English or undertaken education or training at an institution where the medium of instruction is English does not necessarily mean that English is your first language. If English is not your first language then you must provide proof of your English language proficiency, unless you are exempt as explained below.

Applicants whose first language is not English and who are required to provide a language test certificate as evidence of their proficiency must ensure that it is, or is comparable to, IELTS level 7.0 with no element below 6.5.

Please note that from the 1st April 2012 the HCPC will only accept the following tests and scores:

<table>
<thead>
<tr>
<th>LANGUAGE TEST</th>
<th>SPEECH AND LANGUAGE THERAPISTS*</th>
<th>ALL OTHER PROFESSIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>INTERNATIONAL ENGLISH LANGUAGE TESTING SYSTEM (IELTS)</td>

* Speech and language therapists: this Standard applies to both EEA and International applicants. This requirement is higher for speech and language therapists than for all other professions, as communication in English is a core professional skill (see 1b.3 of the standards of proficiency).

All other previously accepted tests will no longer be considered.

Exemption from language proficiency test

If you are a citizen of a relevant European State you are exempt from providing proof of English language proficiency, unless you are applying for registration as a speech and language therapist. However, if you are admitted to the register, you must meet the standards of proficiency for your profession, which include a requirement to be able to communicate in English to an appropriate level.

Citizenship of relevant European State

To be exempt from providing proof of English language competence you must provide evidence that you are a citizen of a relevant European State. This will usually be a certified copy of your passport or a certified copy of your national identity card.

Relevant European Status

The relevant European States are:

Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, ÍEire (Republic of Ireland), Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, The Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
**Dual nationality**

If you hold dual nationality status and one or more of those nationalities are of a relevant European State then you are also exempt from providing proof of your English language proficiency.

**Section 8 Career history**

If you have experience in addition to your training and qualifications, please enter details of your career history in reverse order, with your most recent position first. Provide as much detail as you can to illustrate to the assessors that you meet the standards of proficiency for your profession. Explain any significant gaps in your career history on additional sheet of paper.

**Section 9 Professional reference(s)**

You must provide us with **at least one professional reference** in order for us to assess your application.

The professional reference should be given by someone who has been your supervisor / line manager or otherwise responsible for you in a professional capacity. We cannot consider a reference provided by someone who is related to you by birth, marriage or a relationship similar to marriage. We will consider all forms of reference, whether a simple statement about your time in practice or a more detailed statement about the nature of your practice. You must use the professional reference form(s) and additional sheets as necessary.

We ask you to complete the first section of the professional reference form before you send the form to your referee.

**Important points**

- The professional reference must be completed on a HCPC professional reference form.
- References should be signed no more than six months before the submission of your application.
- Referees may charge a fee for completing your professional reference form. Any costs incurred will have to be met by you.
- Referees must confirm their occupation practice or business address. All references must be completed by the referee, returned to you in a sealed envelope and forwarded with your application form to us. They must have the original signature of the referee. We cannot accept faxed, photocopied or emailed copies of reference forms.
- We cannot accept references sent directly to us by your referee.
- Please remember that if you provide fraudulent references you may be prosecuted.

**After you have obtained your professional reference**

When your referee has completed your professional reference, it should be returned to you. Send this to us with your application form.
Section 10 Paying your fee

Scrutiny fee
The fee we ask you to send with your application is called a scrutiny fee. This is a one off non-refundable payment of £495. Once your application has started being processed, you will receive an email from internationalpayments@hcpc-uk.org with a link to WorldPay payment service. Please follow the link to make your payment; the link will remain active for 10 days. Expired links can be reissued by emailing international@hcpc-uk.org, however this will delay the application process as we cannot process your application without this payment.

Registration cycle
Your registration cycle is biennial (two-yearly) and is made up of two ‘professional years’. We will advise you of the registration fee when your application has been processed and approved. The table below shows the professional years for each profession we regulate.

Section 11 Declarations

HCPC can only process your application if you have signed this declaration. You should make sure that you fully understand the declaration before signing it. It is illegal to fraudulently procure an entry onto the HCPC Register. If you do this, you may be subject to prosecution.

Professional indemnity
If you are a registrant (other than a social worker in England), you now have to make sure that you have a professional indemnity arrangement in place as a condition of your registration with us. This means the following.

- You must make sure you have a professional indemnity arrangement in place when you practise. This could be an arrangement provided:
- through your employer if you are employed;
- as part of membership of a professional body, trade union or defence organisation; or
- directly from an insurer.
Or, it could be a combination of the above.
• You must make sure that the professional indemnity arrangement you have in place provides appropriate cover. This means that the cover needs to be appropriate to the risks involved in your practice so that enough compensation will be paid if a successful claim is made against you.

• If you are employed, your employer's indemnity arrangements are very likely to provide appropriate cover for the activities that you perform as part of your job.

• If you are self-employed, you will need to make sure that you have put in place your own arrangements for professional indemnity.

• If you carry out both employed and self-employed work, you need to make sure that you have professional indemnity arrangements in place which provide appropriate cover for all parts of your practice.

• If you are registered with us but are not currently practising, you do not need to have a professional indemnity arrangement in place. However, you will need to make sure that you do have this arrangement when you begin to practise.

• If you are registered with us as a social worker, this condition of registration does not apply to you.

For further information, please visit [www.hcpc-uk.org/registrants/indemnity/](http://www.hcpc-uk.org/registrants/indemnity/)
All applicants must sign and return a background check consent form

Your registration will be subject to verification of background information entailing investigative reports and references from employers, academic and professional bodies. The information you provide in your application may be verified and comprehensive background enquiries may be undertaken by the HCPC and/or the HCPC’s agents and their representatives. The information may be used outside of the European Economic Area if appropriate. The information you provide may be disclosed to referees, government bodies and such other third parties as may be reasonably necessary. Please note that fraudulently procuring an entry in the HCPC Register is a criminal offence under article 39 of the Health and Social Work Professions Order 2001.
## Appendix: other helpful information

### Our standards

Please read the following two documents before submitting your application:

- Standards of conduct, performance and ethics
- Standards of proficiency

Copies of these documents can be found on our website at www.hcpc-uk.org or by contacting us directly. Please see page one for our contact details.

### Continuing professional development

As a condition of your registration with us, you need to undertake continuing professional development (CPD). Every time you renew your registration, you need to sign to confirm you are undertaking CPD (for social workers this will apply from 2014). Whenever your profession renews its registration, a sample of your profession will be randomly selected for audit, to check our CPD standards are being met. To find out more about CPD, our standards and the audit process, please see our brochure Your guide to our standards for continuing professional development.

### How to keep your name on the Register

Once you have been registered, you will need to renew your registration every two years. To make sure your name stays on the Register, you must:

- pay your registration renewal fee;
- renew your registration online; and
- if you are randomly selected, submit your CPD audit information.

We will send you more information about renewing your registration around three months before your registration expires.

**We will send you a registration renewal form around three months before your registration expires.**

### Refugee applications

If within last five years you have been granted refugee status or given leave to enter or remain in the United Kingdom on humanitarian protection grounds you do not have to pay the application scrutiny fee.

You will need to send us with your application a letter from the Home Office that confirms you have refugee or humanitarian protection status.

You must provide us with as much information as possible with your application. If you are unable to provide all of the information needed (for example, because documents have been destroyed or you cannot obtain them), you must include a letter which explains why you cannot provide it.

Please call the Registration Department between 8am – 6pm (UK time) Monday to Friday on +44 (0)300 500 4472 or +44 (0)20 7582 5460.
