Standing Orders of the Health and Care Professions Council

1 Application and Interpretation

- 1.1 These Standing Orders establish the basic rules about how the Council conducts its proceedings.
- 1.2 They supplement and must be read with the Health Professions Order 2001 and the Health and Care Professions Council (Constitution) Order 2009 (together, **the Orders**).
- 1.3 If a procedural point arises during a Council meeting which is not covered by these Standing Orders (or the Orders), the common law rules concerning the conduct of meetings apply.
- 1.4 The Chair is the final authority on the interpretation of these Standing Orders.
- 1.5 Unless the context otherwise requires, terms used in the Standing Orders have the same meaning as in the Orders.

2 Suspension of Standing Orders

The Council, by resolution, may suspend any Standing Order (other than one prescribed by or under the Orders).

3 Frequency of Meetings

- 3.1 The Council must meet in ordinary session (**Ordinary Meeting**) at least six times each year, at times decided by the Council.
- 3.2 In addition to Ordinary Meetings, a special session of the Council (**Special Meeting**) may be convened by the Secretary at the written request of the Chair or any four Council Members.
- 3.3 A request for a Special Meeting to be held must include details of the business to be transacted at that meeting.
- 3.4 A Special Meeting must take place within 14 days of the Secretary receiving the request for the meeting to be held.

4 Adjournment of Meeting

- 4.1 The Chair may, with the consent of the meeting, adjourn a meeting, but no business is to be transacted at an adjourned meeting other than the business which had not been disposed of when the adjournment took place.
- 4.2 If a meeting is adjourned for more than seven days (but not otherwise), notice of the meeting must be given as if it was an Ordinary Meeting.

5 Access to meetings

- 5.1 Subject to Standing Order 19.5, all Council meetings must be open to the public unless the business under consideration concerns:
- 5.1.1 information relating to a registrant, former registrant or applicant for registration;
 - 5.1.2 information relating to an employee or office holder, former employee or office holder or an applicant for any post or office;
 - 5.1.3 the terms of, or expenditure under, a tender or contract for the purchase or supply of goods or services or the acquisition or disposal of property;
 - 5.1.4 negotiations or consultation concerning labour relations between the Council and its employees;
 - 5.1.5 any issue relating to legal proceedings which are being contemplated or instituted by or against the Council;
 - 5.1.6 action being taken to prevent or detect crime or to prosecute offenders;
 - 5.1.7 the source of information given to the Council in confidence; or
 - 5.1.8 any other matter which, in the opinion of the Chair, is confidential or the public disclosure of which would prejudice the effective discharge of the Council's functions.

6 Notice of Meetings

- 6.1 The Secretary must give Members at least seven days' notice of the time and place of a meeting.
- 6.2 If for any reason a meeting is convened at shorter notice, then the Secretary must give Members notice of the time and place of the meeting at the time that the meeting is convened.
- 6.3 Failure to send notice of a meeting to a Member does not invalidate the proceedings of that meeting.

7 Agenda

- 7.1 The Secretary must issue an agenda for each meeting.
- 7.2 Except in cases of urgency or where circumstances make it impracticable to do so, the agenda for a meeting and any accompanying papers must be sent to Members at least seven days before the meeting.

8 Chair

- 8.1 The Chair is to preside at any Council meeting.
- 8.2 If the Chair is absent from or unable to preside at a meeting, the Members present must nominate another Member to serve as chair at that meeting.
- 8.3 In these Standing Orders, references to the **Chair** include a Member presiding at a meeting in place of the Chair.

9 Quorum

- 9.1 The quorum at any Council meeting is seven Members.
- 9.2 If a quorum is not present within 15 minutes of the time appointed for a meeting to commence, all business which should have been transacted at that meeting is to be held over until the next Ordinary Meeting, unless a Special Meeting is called in the meantime for the transaction of that business.
- 9.3 If, during a Council meeting, it appears to the Chair that a quorum has ceased to exist, business must be suspended and the number of Members present counted and, if:
 - 9.3.1 a quorum exists, the business may proceed;
 - 9.3.2 a quorum does not exist, the meeting must be dissolved and all remaining business adjourned to the next Ordinary Meeting.

10 Conduct of Meetings

- 10.1 The order of business at a meeting must follow that set out in the agenda unless it is varied by the Chair with the consent of the meeting.
- 10.2 A Member may only initiate a debate or move a motion on a matter which is not on the agenda with the consent of the meeting.
- 10.3 All motions must relate to matters that are within or related to the functions of the Council.
- 10.4 Members must not use offensive or improper language or make derogatory personal references to any other Member or Council employee.
- 10.5 A Member must speak to the subject under discussion. The Chair may call attention to any irrelevance, repetition or other improper conduct on the part of a Member and, where the Member persists in that conduct, may direct that Member to cease speaking.
- 10.6 A ruling by the Chair on any question of order, whether or not provided for by the Standing Orders, is final and not open to debate.

11 Voting

- 11.1 Except where the Orders specify a different requirement, any question at a meeting is to be decided by a majority of the Members present voting by a show of hands.
- 11.2 In the event of an equality of votes, the Chair is entitled to an additional casting vote.

12 Minutes of Council meetings

- 12.1 The Secretary must keep minutes of each meeting which shall include a record of the Members present at that meeting.

- 12.2 At each meeting, the minutes of the preceding meeting must be confirmed (or confirmed as amended) and signed by the Chair as a true record of that meeting.
- 12.3 The signed minutes of a meeting, unless the contrary is proved, are conclusive proof of the proceedings of that meeting.

13 Duration

Subject to Standing Order 9.2, a meeting must start at the time set out in the notice of meeting and may continue until all of the business on the agenda has been disposed of.

14 Disorder

- 14.1 If, in the Chair's opinion, a Member has persistently disregarded the ruling of the Chair or behaved in a manner which is obstructing the business of the meeting, the Chair may order that Member to withdraw from the whole or part of the remainder of the meeting.
- 14.2 In the event of a disturbance which, in the Chair's opinion, prevents the orderly conduct of business, the Chair may adjourn the meeting for such period as the Chair considers appropriate.
- 14.3 If a person other than a Member interrupts the proceedings at any meeting, the Chair may order that person to be removed from the meeting or may order the part of the room which is open to the public to be cleared.

15 Members' interests

- 15.1 Members must make a declaration of their personal interests in the form required by the Council (which must be published in the Council's Register of Members' Interests) and must ensure that their interests as set out in that Register are accurate and up to date.
- 15.2 The agenda for every meeting must include as an item of business the declaration of interests. A member who has a personal interest in any matter under consideration at that meeting, whether or not declared in the Register of Members' Interests, must promptly disclose that interest to the meeting. If the interest is a prejudicial interest, the member must withdraw from the meeting during the Council's consideration of that matter.

16 Code of conduct

Members must comply with the Code of Conduct adopted by the Council.

17 Members' education, training and performance

- 17.1 The Council must establish standards of education and training for Members and, as part of those standards, must arrange for Members to undergo training to assist them in their performance of their duties.

- 17.2 The Council must establish standards of attendance and performance for members, including a system of annual performance appraisal.
- 17.3 Members must comply with the standards established by the Council under this Standing Order and must not, without reasonable excuse, refuse to participate in the training or appraisal processes.

18 Provisional suspension of Members

- 18.1 If circumstances arise which may result in a Member being suspended or removed from office by the Privy Council under the Orders, the Council may resolve that the Member is to be provisionally suspended from office until the Privy Council has reached a decision on whether to suspend or remove the Member.
- 18.2 A Member who is provisionally suspended is not entitled to participate in Council meetings or to exercise any other functions of a Member.

19. Virtual meetings

- 19.1 Meetings of the Council may be held by electronic means, without any number of the members participating in the meeting being together at the same place.
- 19.2 Where a meeting is to be conducted by electronic means, the notice under Standing Order 6 must include the arrangements for members to access the meeting.
- 19.3 At a meeting held by electronic means, members must be able:
- 19.3.1 to hear and be heard by (and, where practicable, to see and be seen by) the other participating members and any person invited to participate in the meeting; and
 - 19.3.2 to be heard by (and, where practicable, seen by) any members of the public or the press attending the meeting.
- 19.4 At a meeting held by electronic means, the Chair is to determine the method by which votes are to be cast and Standing order 11.1 does not apply.
- 19.5 Where practicable, the Council must make arrangements (such as by telephone or video conference or live webcast or streaming) for the public and press to be able to attend remotely a meeting held by electronic means.

20 Approval of resolutions without meeting

A resolution which, with the Chair's consent, is circulated to, and approved in writing or electronic form by at least three quarters of the Members entitled to receive notice of and attend a Council meeting is as valid as if it had been passed at such a meeting.

21 Emergency Action

- 21.1 In an emergency, where a decision must be made by the Council before its next meeting, the powers and duties of the Council may be exercised by the Chair (**Emergency Action**).

- 21.2 For this purpose an **emergency** means circumstances in which:
- 21.2.1 the HCPC will be unable to discharge its statutory functions or be exposed to a significant level of risk if urgent action is not taken; or
 - 21.2.2 urgent action must be taken to prevent loss, damage or significant disadvantage to the HCPC.
- 21.3 Before taking any Emergency Action, the Chair must consult the Registrar.
- 21.4 The Registrar must make reasonable efforts to inform Members of the proposed Emergency Action or, where it is impracticable to do so, must inform them as soon as possible after Emergency Action has been taken, but failure to do either does not invalidate any Emergency Action.
- 21.5 The Emergency Action functions of the Chair and Registrar may be exercised by any other persons that the Chair and Registrar may respectively nominate in writing.

22 The Secretary

- 22.1 The Registrar is to be the secretary to the Council.
- 22.2 The Registrar, with the Council's consent, may appoint another person to act as secretary to the Council.
- 22.3 In these Standing Orders, references to the **Secretary** mean the Registrar or any person appointed under Standing Order 21.2.

23 The Registrar, Secretary and advisers

- 23.1 The Registrar is entitled to attend and speak at Council meetings.
- 23.2 The Secretary or any other person advising on the business before a Council meeting (including advising the Chair on issues of order) may attend and, with the Chair's consent, speak at that meeting.

24 Common Seal

- 24.1 The Common Seal of the Council must be kept in safe custody by the Registrar or a person appointed by the Registrar.
- 24.2 The Common Seal may only be affixed to a document with the consent of the Council or of a Committee to which that power has been delegated and where the seal is affixed to a document, it must also be signed by a Council Member and the Registrar.

25 Adoption

These Standing Orders were adopted by the Council on 3rd December 2020, and supersede all previous versions. They apply to any Council meeting held on or after 4th December 2020.

Scheme of Delegation

1 Introduction

- 1.1 The Health and Care Professions Council (the **Council**) is responsible for setting the organisation's policy and strategy and the Executive is responsible for the operational implementation of that policy and strategy.
- 1.2 This scheme of delegation (the **Scheme**) is intended to facilitate the efficient and effective discharge of the Council's functions in a manner which reflects that division of responsibilities.
- 1.3 The Scheme sets out the decisions which the Council has:
 - 1.3.1 reserved to itself;
 - 1.3.2 delegated to its Education and Training Committee;
 - 1.3.3 delegated to the Chief Executive, some of which may also be exercised by nominated Executive officers or by persons nominated by the Chief Executive;
 - 1.3.4 delegated to the Registrar, some of which may also be exercised by persons nominated by the Registrar;
 - 1.3.5 delegated to other nominated officers of the Executive.
- 1.4 Where a decision is delegated to a Head of Service or Director, that power may also be exercised by the relevant Executive Director.
- 1.5 The Scheme does not affect:
 - 1.5.1 decisions of an administrative nature, which form part of the Executive's responsibilities for the day to day administration of the HCPC's affairs under the direction of the Chief Executive; or
 - 1.5.2 any statutory function conferred upon the Registrar by or under the Order, the discharge or delegation of which is a matter for the Registrar.

2 Withdrawal of delegated power

- 2.1 The Scheme remains in force until it is amended or revoked by the Council.
- 2.2 The Scheme does not apply to any matter in respect of which the Council has resolved that delegated authority is not to be exercised.

3 Exercise of delegated power

- 3.1 Any power delegated under the Scheme must be exercised in a manner which is consistent with the Council's obligations under the Health Professions Order 2001 (the **Order**) and the general law.

- 3.2 In particular, the decision maker must have regard to Article 3(4) of the Order, which provides that the over-arching objective of the Council in exercising its functions is the protection of the public.
- 3.3 The decision maker must also recognise that lawful exercise of a statutory power requires not only formal compliance with the conditions laid down for its performance, but also compliance with the principle that all statutory powers must be exercised in good faith and for their proper purpose.
- 3.4 Delegation does not impliedly authorise sub-delegation. Consequently, a Committee or person to whom the Council has delegated any power may not permit another Committee or person to exercise that power unless the Council has expressly authorised them to do so.

4 Matters reserved to the Council

- 4.1 The Council retains ultimate responsibility for all policy matters including agreeing the overall strategy for the performance of its functions.
- 4.2 The power to make Rules is specifically reserved to the Council by Article 3(12) of the Order and cannot be delegated.
- 4.3 The Council retains responsibility for the following decisions which, to the extent that it is lawful to do so, may only be delegated by means of a specific resolution of the Council:

 - 4.3.2 prescribing good conduct and good character requirements for safe and effective practice;

 - 4.3.5 making any proposal to the Privy Council concerning the structure of the register;
 - 4.3.6 approving any report, plans or accounts to be submitted to the Privy Council, the Secretary of State or the Scottish Ministers;
 - 4.3.7 setting the fees to be charged for or associated with registration (including renewal, readmission, restoration and scrutiny fees);
 - 4.3.8 establishing any committee or sub-committee and making the Standing Orders for any committee or sub-committee;
 - 4.3.9 appointing members to any committee or sub-committee (this power may be exercised by the Chair in accordance with any policy or principles established by the Council);
 - 4.3.10 appointing or removing the Chief Executive;

- 4.3.11 appointing or removing the Registrar;
 - 4.3.12 appointing members to represent the Council on outside bodies (this power may be exercised by the Chair in accordance with any policy or principles established by the Council);
 - 4.3.13 entering into any arrangements with a body created or designated by the National Assembly for Wales under Article 20 of the Order;

 - 4.3.15 re-structuring the Council's staff where the changes involve 20 or more employees.

- 1.2 This scheme of delegation (the **Scheme**) is intended to facilitate the efficient and effective discharge of the Committee's functions in a manner which reflects that division of responsibilities.
- 1.3 The Scheme sets out the decisions which the Committee:
 - 1.3.1 has reserved or must reserve to itself;
 - 1.3.2 has delegated to the Education and Training Panel
 - 1.3.2 has delegated to the Chief Executive and Registrar (the **Chief Executive**) or persons nominated by the Chief Executive;

- 2.2 The Scheme does not apply to any matter in respect of which the Committee has resolved that delegated authority is not to be exercised.

- 3.1 Any power delegated under the Scheme must be exercised in a manner which is consistent with the requirements of the Order, any rules made under it, any policies or procedures established by the Committee and the Committee's obligations under the general law.

- 3.2 In particular, the decision-maker must have regard to article 3(4) of the Order, which provides that the overarching objective of the HCPC in exercising its functions is the protection of the public.
- 3.3 The decision-maker must also recognise that lawful exercise of a statutory power requires not only formal compliance with the conditions laid down for its performance but also compliance with the principle that all statutory powers must be exercised in good faith and for their proper purpose.
- 3.4 Delegation does not impliedly authorise sub-delegation. Consequently, a person to whom the Committee has delegated any power may not permit another person to exercise that power unless the Committee has expressly authorised them to do so.

4 Matters reserved to the Committee

- 4.1 The Committee retains ultimate responsibility for all policy matters, including agreeing the overall strategy and procedure for the performance of its functions.
- 4.2 The Committee retains responsibility for the following decisions which, to the extent that it is lawful to do so, may only be delegated by means of a specific resolution of the Committee:

Committee Memberships

Process

The Chair appoints Council members (and independent members) to Committees, as either a member or a Chair. Unless otherwise specified, all appointments are for a period of two years (see frequency of review below)

Views of members as to their preferences will be sought. However it will not always be possible to allocate a member to their preferred committee.

Changes to the Committee membership allocations will be notified to Council as a paper to note at the next meeting. Whilst allocating members to Committees is a matter for the Chair, the Council retains authority to determine how a Committee should be constituted (subject to any mandatory requirements of the Health Professions Order 2001). The Standing Orders for each Committee set out these requirements.

Principles

When allocating Council members to Committees the Chair will apply the following principles:

- Committees have the skills they need, the Council Skill Matrix is a key reference document.
- All members get the opportunity to take part in a Committee.
- Members get the opportunity to contribute to the breadth of the work of the HCPC during their term(s)
- Committee Chair positions should not continue longer than 4 years (two terms of two years) unless no suitable alternative candidate is available on the Council (for example if there is a requirement for a financially qualified Chair and only one member of the Council fulfils this requirement).
- Succession planning is in place for each Committee, to enable new perspectives, and continuity, in balance.

Frequency of review

Committee appointments (memberships and chairs) will be reviewed every two years, or earlier depending on business need.

Education and Training Committee

Standing Orders

1. Terms of reference

- 1.1 The Education and Training Committee (the Committee) is to perform:
 - a) the functions conferred on it by or under the Health Professions Order 2001 (the Order); and
 - b) and other functions that the Council may require it to undertake.
- 1.2 The Education and Training Committee has established a panel of the Committee (an Education and Training Panel or a Panel) to conduct one or more of the items of business of the Committee specified in rule 6(3) of The Health and Care Professions Council (Education and Training Committee) (Constitution) Rules 2023. The standing orders for the Education and Training Panel are set out in an annex to these standing orders.

2. Membership and quorum

- 2.1 The composition of the Education and Training Committee is determined by the Council in The Health and Care Professions Council (Education and Training Committee) (Constitution) Rules 2023.
- 2.2 The quorum at a meeting of the Committee is any three members. If, during a meeting, a quorum ceases to exist, the meeting must be dissolved and all remaining business adjourned to the next meeting of the Committee.

3. Chair

- 3.1 The Chair, who is appointed by the Chair of the Council, is to preside at any Committee meeting.
- 3.2 If the Chair is absent from or unable to preside at a meeting, the members present must nominate another member to serve as chair at that meeting.
- 3.3 The Chair must provide a report on the work of the Committee to the Council following each meeting of the Committee.

4. Frequency and notice of meetings

- 4.1 The Committee will meet as required, which will usually be four times in each year.
- 4.2 Where a Committee meeting is held the Secretary must give members at least seven days' notice of the time and place of a meeting. Failure to send notice of a meeting to a member does not invalidate the proceedings of that meeting.

5. Decision-making

- 5.1 The Committee and Panel will make decisions based on a tier system set out as follows:
 - a) Papers-based decisions by the Panel (Tier 1)
 - b) Panel meeting (Tier 2)
 - c) Committee meeting (Tier 3)
- 5.2 The Panel will make papers-based decisions when the recommendation being made has not been contested by the education provider or a third party.
- 5.3 The Panel will make decisions at a meeting when:
 - a) the recommendation being made is contested by the education provider or a third party; or
 - b) the executive considers that discussion is likely to be required to make a decision; or
 - c) any Panel member considers a discussion is required in order to make a decision following review of the papers for a papers-based decision; or
 - d) a new education provider is being approved.
- 5.4 The Committee will consider any decision relating to:
 - a) a recommendation for the non-approval or withdrawal of approval of a programme; or
 - b) a matter referred to the Committee by the Panel following consideration at a Panel meeting.

7. Transparency

- 7.1 All Committee meetings must be open to the public unless the business under consideration concerns:
- a) information relating to a registrant, former registrant or applicant for registration;
 - b) information relating to an employee or office holder, former employee or office holder or an applicant for any post or office;
 - c) the terms of, or expenditure under, a tender or contract for the purchase or supply of goods or services or the acquisition or disposal of property;

 - e) any issue relating to legal proceedings which are being contemplated or instituted by or against the Council;
 - f) action being taken to prevent or detect crime or to prosecute offenders;
 - g) the source of information given to the Committee in confidence; or
 - h) any other matter which, in the opinion of the Chair, is confidential or the public disclosure of which would prejudice the effective discharge of the Committee's or the Council's functions.

8. Minutes of meetings

- 8.1 The Secretary must keep minutes of each meeting, which must include a record of the members present at that meeting. Draft minutes will be circulated promptly to all members of the Committee and attendees following the meeting, who will be invited to review these for factual accuracy.
- 8.2 At each meeting, the minutes of the preceding meeting must be approved (or approved subject to amendments) as an accurate record of that meeting. The approved minutes of a meeting, unless the contrary is proved, are conclusive proof of the proceedings of that meeting.
- 8.3 The minutes of each meeting of the Committee will be provided to the Council following each meeting. This may occur prior to the minutes being approved by the Committee.

9. Conduct of meetings

- 9.1 The order of business at a meeting must follow that set out in the agenda unless it is varied by the Chair with the consent of the meeting.
- 9.2 A member may only initiate a debate or move a motion on a matter which is not on the agenda with the consent of the Chair. All motions must relate to matters that are within or related to the functions of the Committee.
- 9.3 A member must speak to the subject under discussion. The Chair may call attention to any irrelevance, repetition or other improper conduct on the

part of a member and, where the member persists in that conduct, may direct that member to cease speaking.

- 9.4 A ruling by the Chair on any question of order, whether or not provided for by the standing orders, is final and not open to debate.

10. Voting

- 10.1 Except where the Order or these standing orders specify otherwise, any question at a meeting is to be decided by a majority of the members present voting by a show of hands.
- 10.2 In the event of an equality of votes, the Chair is entitled to an additional casting vote.

11. Disorder

- 11.1 Members must comply with the Code of Conduct adopted by the Council.
- 11.2 If, in the Chair's opinion, a member has persistently disregarded the ruling of the Chair or behaved in a manner which is obstructing the business of the meeting, the Chair may order that member to withdraw from the whole or part of the remainder of the meeting.
- 11.3 If a person other than a member interrupts the proceedings at any meeting, the Chair may order that person to be removed from the meeting or may order the part of the room which is open to the public to be cleared.
- 11.4 In the event of a disturbance which, in the Chair's opinion, prevents the orderly conduct of business, the Chair may adjourn the meeting for a period that the Chair considers appropriate.

12. Members' interests

- 12.1 Members must make a declaration of their personal interests in the form required by the Council (which must be published in the Council's register of members' interests) and must ensure that their interests as set out in that register are accurate and up to date.
- 12.2 The agenda for every meeting must include as an item of business the declaration of interests.
- 12.3 A member who has a personal interest in any matter under consideration at that meeting, whether or not declared in the register of members' interests, must promptly disclose that interest to the meeting. If the interest is a prejudicial interest, the member must withdraw from the meeting during the Committee's consideration of that matter.

13. Virtual meetings

- 13.1 Meetings of the Committee should be held by electronic means where possible, without any number of the members participating in the meeting being required to be together at the same place.

- 13.2 Where a meeting is to be conducted by electronic means, the notice under standing order 4.2 must include the arrangements for members to access the meeting.
- 13.3 At a meeting held by electronic means, members must be able:
- a) to hear and be heard by (and, where practicable, to see and be seen by) the other participating members and any person invited to participate in the meeting; and
 - b) to be heard by (and, where practicable, seen by) any members of the public or the press attending the meeting.
- 13.4 At a meeting held by electronic means, the Chair is to determine the method by which votes are to be cast and standing order 10.1 does not apply.
- 13.5 Where practicable, the Committee must make arrangements (such as by telephone or video conference or live webcast or streaming) for the public and press to be able to attend remotely a meeting held by electronic means.

14. Approval of resolutions without meeting

- 14.1 A resolution which, with the Chair's consent, is circulated to, and approved in writing or electronic form by at least three quarters of the members entitled to receive notice of and attend a Committee meeting is as valid as if it had been passed at such a meeting.

15. The Secretary

- 15.1 The Secretary to the Council, or any other person that the Secretary to the Council may appoint, is to be the Secretary to the Committee (the Secretary).

16. Effectiveness

- 16.1 The Committee should periodically review its own effectiveness and report to the Council on this assessment.

17. Adoption

- 17.1 These standing orders were adopted by the Council on 27 March 2025 and supersede all previous versions. They apply to any Committee meeting held after that date.

Professional Liaison Groups

Introduction

1. The Council, where it considers that doing so would assist it to perform its functions in respect of a particular project, may establish a Professional Liaison Group (**PLG**).
2. The purpose of a PLG is to draw on the expertise of Council members and others to consider one or more specified topics in detail, and to perform a specified task or set of tasks within a timeframe set by the Council.

Establishing a PLG

3. In respect of any project where establishing a PLG may be appropriate and beneficial, the Executive must submit a report to the Council setting out:
 - 3.1 a clear and concise rationale as to why it would be appropriate and beneficial to establish a PLG;
 - 3.2 the proposed terms of reference of the PLG (which must be sufficiently precise to enable the Council to agree the PLG's remit);
 - 3.3 the activities which it is proposed the PLG will undertake, including a detailed timetable that sets a date for the conclusion of those activities and a date by which the PLG will report its findings to the Council;
 - 3.4 the knowledge and skills required for membership of the PLG and its proposed composition, including whether external members should be appointed (and, if so, identifying potential members or organisations who should be invited to nominate such members); and
 - 3.5 a proposed budget for the PLG.

PLG Membership

4. If the Council agrees to establish a PLG, Council members who wish to be appointed to the PLG must be given an opportunity to submit a statement (of not more than 200 words) which sets out how their knowledge and skills meet those agreed for the PLG by the Council.
5. A PLG will be chaired by a member of the Council and Council members who wish to be considered for appointment as the PLG Chair must provide an additional statement (also of not more than 200 words) setting out their suitability for that role.
6. Unless the Council determines otherwise, statements submitted by Council members in accordance with paragraphs 4 or 5 will be considered by the Chair of Council, who will then determine which members should be appointed to the PLG.

7. If the Council agrees that external members are to be appointed to a PLG, potential members identified in accordance with paragraph 3.4 may be invited to be PLG members or, in the case of organisations, to nominate such members.
8. If the number of potential external PLG members exceeds the number of places available, candidates may be asked to provide a statement similar to that submitted by Council members in accordance with paragraph 4.
9. Unless the Council determines otherwise, any statements submitted in accordance with paragraph 8 will be considered by a Panel comprised of the Chair of the Council, the PLG Chair and the appropriate Executive lead, who will determine which potential members should be appointed to the PLG.
10. As appointments to a PLG are made based upon an individual's knowledge and skills, members cannot delegate their role to others. However, an external PLG member who is appointed to represent an organisation and who is unable to attend a particular meeting may, with the consent of the PLG Chair, send a delegate to that meeting. Consent must be sought at least seven days in advance of the meeting and the PLG Chair's decision as to whether a delegate may attend shall be final and binding.

Conduct of PLG business

11. The Council's expectation is that, normally, PLG meetings will be held in public and that the papers for such meetings will be made available on the HCPC website.
12. PLGs are not committees of the Council and may regulate their own proceedings. However, in doing so, PLG Chairs are expected to have regard to the HCPC Standing Orders for Committees and, in particular, to take account of the criteria set out in Standing Order 5 (access to meetings) in considering any proposal to hold all or part of a meeting in private.
13. Only PLG members are entitled to speak at PLG meetings. Members of the public may only address the meeting at the prior invitation of the Chair. If any person disrupts the proceedings, the Chair may order that the person be removed from the meeting or that the part of the room which is open to the public be cleared.
14. Members of the public who wish to attend PLG meetings must sit in the public gallery. They should aim to arrive before the meeting begins and remain until the meetings ends to avoid disturbing the proceedings.
15. Unless the Council determines otherwise, the quorum for any meeting of a PLG is half of the total membership of the PLG plus one. If, during a meeting a quorum ceases to exist, the Chair must dissolve the meeting and any remaining business will be adjourned to the next meeting of the PLG.
16. Minutes will be taken at all PLG meetings and will be confirmed and signed by the Chair at the next meeting of the PLG. The minutes of a PLG's final meeting will be sent to members electronically for confirmation before being signed by the Chair. All PLG minutes will be submitted to the Council.

PLG Costs

17. PLGs must operate within the budget agreed by the Council when the PLG was established.
18. Council members participating in the work of a PLG will be entitled to claim attendance allowances and expenses in accordance with the HCPC expenses policy for Council members.
19. Other PLG members will be entitled to have their reasonable expenses reimbursed in accordance with that expenses policy but will not be eligible to receive an attendance allowance.
20. In order to support the involvement of service users and carers, PLG members who are participating in an individual capacity or on behalf of an organisation representing service users or carers may, at the discretion of the Chair, be eligible to receive an attendance allowance equal to that paid to Council members.

Reporting to the Council

21. In addition to receiving the minutes of all PLG meetings, the Council must be informed of any deviation from the PLG's agreed activities, timetable or budget and provided with such progress reports on the work of a PLG as the Council considers appropriate.

Code of Conduct

1 Introduction

Council members must comply with this Code of Conduct (the **Code**) whenever they act in their capacity as a member of the Council.

The Code will also apply to Council members whose conduct, when acting for another organisation or in a private capacity, may undermine their role as a Council member or public confidence in the Council,

2 General obligations

Council members must take personal responsibility for ensuring that they keep to the Code.

Council members must:

- act in good faith;
- act in accordance with the HCPC's over-arching objective in exercising its functions, of protecting the public;
- treat others equally, fairly, with dignity and respect; and
- act in accordance with the principles of public life (set out more fully in Appendix A):
 - selflessness;
 - integrity
 - objectivity
 - accountability
 - openness
 - honesty; and
 - leadership.

Council members must not:

- use their position for personal gain or to promote their private interests;
- discriminate or treat anyone less favourably on grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex or sexual orientation; or
- act in a way that may undermine public confidence in the HCPC or bring it into disrepute.

3 Confidentiality

As the Council conducts much of its business in public, most information to which Council members have access will be in the public domain. However, some information must be kept confidential.

Council members must not disclose confidential information which they have received in that capacity, other than for a proper purpose or where required to do so by law.

Council members must take appropriate steps to ensure that confidential information is stored securely and should contact the Chief Executive if the status of any information is unclear. A Council member who becomes aware of a breach of confidentiality must immediately notify the Chief Executive or the Chair.

4 Attending meetings

Council members must endeavour to attend all Council meetings and all meetings of any committee of which they are a member unless they are unable, with good reason, to do so and contribute in accordance with their role.

Council members who are unable, with good reason, to attend a meeting must inform the Secretary of the Council or Secretary of the relevant committee as soon as possible ahead of the meeting.

Where a Council member's absence from meetings over a prolonged period may affect the Council's ability to perform its statutory functions, that member will be asked to work with the Chair of Council to consider any action needed to address the position.

Council members' attendance records will form part of their annual performance review and particular consideration will be given to absences without notice.

Article 6(1)(g) of the Health and Care Profession Council (Constitution) Order 2009 provides that the Privy Council may remove a Council member whose level of attendance at meetings falls below a minimum level of attendance acceptable to the Privy Council.

5 Use of HCPC resources

The HCPC may only provide resources to Council members in order to assist them in the discharge of their duties. Council members must not use HCPC resources for any other purpose or place HCPC employees in the embarrassing situation of having to refuse to provide them with resources.

6 HCPC employees

In dealing with HCPC employees, Council members must recognise that their actions may be treated in law as those of the HCPC as employer.

Council members must not give direct instructions to employees, who are subject to the HCPC's established employment procedures and act on the instructions of their line managers, Directors and the Chief Executive.

Members are entitled to question the manner in which the HCPC operates or the advice or opinions provided by employees, but must not raise matters relating to the conduct or capability of employees at meetings held in public, nor seek to undermine employees by means of rudeness or ridicule. In particular, Members must recognise that employees are constrained in the response they may make to such public comment.

If a Member has any concerns about the conduct or capability of an employee, they should be discussed with the appropriate Executive Director. Concerns about an Executive Director should be discussed with the Chief Executive and concerns about the Chief Executive should be referred to the Chair of the Council.

7 Council members' annual performance review

Council members must participate in the annual performance review process.

8 Breach of the Code

Any minor breach of this Code should, where possible, be dealt with informally in the first instance; for example, by the Chair or another member drawing the breach to the Council member's attention during the meeting at which it occurs.

A Council member who considers that another Council member may be in breach of this Code may also raise the matter with the Chair.

Where there is evidence of a deliberate, serious or continued breach of this Code or a formal complaint is received about the conduct of a Council member, the matter will be referred to the Chair, who will act in accordance with the complaints procedure set out in Appendix B.

9 Suspension or removal from office of a Council Member

A Council member may be suspended or removed from office in accordance with the provisions of the Health and Care Professions Council (Constitution) Order 2009.

Appendix B

Complaints against Council Members

Introduction

1. This procedure deals with the investigation of complaints made against Council members which arise in that capacity, including complaints made against Council members by HCPC staff.
2. Complaints against members by HCPC staff should be made to the Chief Executive. All other complaints against members should be made to the Secretary of the Council.
3. All complaints must be made in writing and referred to the Chair. If, in the opinion of the Chair, more detail is needed in order for the complaint to be considered, the Chair may ask the complainant to provide further details.
4. The Chair must determine conclusively whether a complaint is within the scope of this procedure. If the Chair determines that a complaint is not within its scope or is trivial or vexatious, the Chair must inform the complainant of that decision in writing, and the reasons for it, and no further action will be taken in respect of that complaint. If it appears to the Chair that the complaint is one which should be dealt with by the Privy Council then the Chair will refer the matter to the Privy Council.
5. Where the Chair is unable to act or is the subject of a complaint, any reference in this procedure to the Chair is to be read as a reference to the Chair of the Education and Training Committee.

Conciliation

6. If the Chair determines that a complaint is within the scope of this procedure, the Chair may suggest that the complainant and the member seek to resolve the matter by conciliation and, if they agree, the Chair, with the consent of the parties, may appoint a conciliator.
7. If the complaint is resolved by conciliation, no further action is to be taken by the Chair in respect of the complaint.
8. If conciliation fails to reach a satisfactory outcome, any admissions or statements made during the course of the process are not admissible in any subsequent investigation or consideration of the complaint.

9. The Chair must nominate an Independent Reviewer to investigate any complaint where:
 - 9.1 the Chair considers that the complaint is unsuitable for resolution by conciliation;
 - 9.2 a party does not agree to take part in conciliation; or
 - 9.3 conciliation fails to resolve the complaint;

Investigation

10. The Chair must nominate a person (the **Independent Reviewer**) to investigate the complaint and report on the matter to the Council as to whether:
 - 10.1 on the balance of probabilities, the allegations contained in the complaint are factually correct; and
 - 10.2 on the basis of those facts, the member has breached the Code of Conduct for Council Members (the **Code**).
11. Where the Independent Reviewer concludes that a breach of the Code has occurred, he or she may also recommend to the Council the action which it should take against the member concerned in respect of that breach.
12. Subject to paragraph 13, the Independent Reviewer may determine the procedure to be followed in conducting the investigation, including the lines of inquiry to be pursued, the persons from whom evidence is to be sought and the form in which that evidence is to be given.
13. The Independent Reviewer must:
 - 13.1 send a copy of the complaint to the member concerned and invite him or her to submit a written response within a reasonable time (which must in any event be not less than 14 days);
 - 13.2 send a copy of any response from the member concerned to the complainant, and provide him or her with a reasonable time (which must in any event be not less than 14 days) in which to comment on it.
14. The Independent Reviewer may be provided with administrative support by the HCPC and may obtain legal advice from the Solicitor to the Council but, if the Independent Reviewer wishes to obtain independent administrative support or legal advice, the Council must meet the reasonable costs incurred by the Independent Reviewer in doing so.

Report

15. Once the investigation has concluded, the Independent Reviewer must prepare a report (the **Report**) setting out the findings of the investigation, the conclusions reached, any recommendation made in accordance with paragraph 18 and the reasons for them.
16. The Report must also include all of the documents considered by the Independent Reviewer (other than any legal advice given to the Independent Reviewer or any other privileged communication).
17. The Report must be submitted to the Chair and, at the same time, a copy must be sent to the complainant and the member concerned.
18. If the Independent Reviewer concludes that there has been a breach of the Code, the Report may include one or more of the following recommendations:
 - 18.1 that no action be taken;
 - 18.2 that the member be admonished by the Council;
 - 18.3 that a report be submitted to the police, another regulatory or law enforcement agency or to a prosecuting authority;
 - 18.4 that the Council recommend to the Privy Council that the member be removed from the Council.

Council Procedure

19. The Chair must convene a meeting of the Council, to consider the report.
20. The Report must be considered as public business unless, at the discretion of the Chair, it is taken as private business where:
 - 20.1 the Independent Reviewer has dismissed the complaint;
 - 20.2 the complaint concerns the health of any person;
 - 20.3 the complaint concerns confidential information; or
 - 20.4 the Independent Reviewer has recommended that the police or a regulatory, law enforcement or prosecuting body be informed of the matter;

and, in the latter case, the Chair may determine that the Council must not make public any information relating to the matter until the conclusion of any action by the police or other body concerned.

Council & Committee - Conflict of Interest Policy

1. Policy Purpose

Council and Committee Members have a duty to ensure that they are not placed in a position where their personal interests conflict with their duty to act in the interests of the HCPC.

The Council and Committee Member Code of conduct policy states that members must not –

- use their position for personal gain or to promote their private interests
- act in a way that may undermine public confidence in the HCPC or bring it into disrepute.

The aim of this policy is to set out the expectations regarding real or potential conflicts of interest and the process for dealing with a conflict raised in relation to a Council or Committee Member.

2. Scope

The policy applies to all Council and Committee members. Compliance with this policy is compulsory for all Council and Committee members, breaches may result in a formal concern under the Council Code of Conduct.

Any request for further advice or guidance about Member's responsibilities under this policy should be directed to the Head of Governance.

3. What is a conflict of interest?

A conflict of interest arises where a Council or Committee member has an interest which might influence, or be perceived to influence, that person's judgement in carrying out their role at the HCPC.

When a fair-minded and informed observer would conclude that there is a real possibility that an HCPC decision maker is or could be biased because of a particular interest then there is a conflict of interest.

When considering what might constitute a potential conflict, the seven principles of public office should be born in mind: selflessness; integrity; objectivity; accountability; openness; honesty; and leadership

4. The Importance of conflict of interest management

The Council and Committee Member Conflict of Interest Policy supports the HCPC to ensure, and demonstrate, that its decision making is independent, transparent and enables public confidence.

The HCPC is responsible for promoting and setting standards of conduct for registrants, as well as making decisions about registrants whose fitness to practise may be impaired. It is critical that the HCPC's leadership must reflect the highest standards.

5. Responsibility for conflict of interest management

It is the responsibility of all Council and Committee Members to make all reasonable efforts to ensure that they, and the HCPC, are not placed in a position where there is a conflict between the Member's responsibility to promote the best interests of the HCPC and the Member's own private interests.

Council Standing Order 15 requires members to make, and keep up to date, a declaration of their personal interests. All Members must complete a declaration on appointment and reconfirm this declaration on an annual basis.

Any changes to a Member's interests must be notified to the Head of Governance as soon as it becomes known to the Member.

The Head of Governance is responsible for maintaining the register of interests for the Council. The Governance Team will annually circulate the entries to members to review their declarations for currency.

6. Declaring interests at a meeting

To promote transparency, at the beginning of the formal agenda of any meeting Members are asked to declare any interests (including any already contained within the register) that could be perceived as being relevant to any item on the agenda.

If an interest is declared, the Council will take a view on whether the interest should preclude the Member in taking part in that item of the agenda as required by Council Standing Order 15.2. Declarations and the Council's view on their materiality will be recorded in the formal minutes of the meeting.

7. Conflict of interest register

On appointment all Council and Committee members will be asked to complete a declaration of interest form. This will be retained in a central register of interests.

The form required the following information on personal interests:

1 - Relationships - Members must declare any relationships, either personal or professional (outside of HCPC business), with any HCPC Registrant, Council or Committee Member, Employee, Partner or Supplier. Members

For example, consultancy services.

6 - Details of any significant political activity undertaken in the last five years - this should include activities that are a matter of public record i.e. office holding in, public speaking in support of, or candidate on behalf of, any political party (or affiliated body) which fields candidates at local or general elections in any part of the UK or in elections to the European Parliament.

8. Publication of the register

1. Financial management overview

Financial responsibilities

- 1.1. The Health and Care Professions Council (HCPC) was established under section 60 of the Health Act 1999. As a regulator of health and care professions in the UK, the HCPC's role is to protect the public. The Council has ultimate responsibility for ensuring that the HCPC is financially sound and that there is effective financial management in place.
- 1.2. The Chief Executive was appointed as the HCPC's Accounting Officer by the Privy Council and is accountable for the stewardship of the HCPC's resources.

Purpose and scope of financial regulations

- 1.3. The purpose of the financial regulations is to:
 - ensure that high standards of financial integrity are maintained at all times
 - outline the financial responsibilities of HCPC employees¹, and the policies adopted by the HCPC to fulfil its financial control and legal obligations
 - provide high level principles that guide planning and managing the HCPC's finances and the proper use of resources and stewardship of assets.
- 1.4. The financial regulations are part of our governance arrangements and are supported by a range of policies, procedures and guides. If any instance of conflict or ambiguity arises between the financial regulations and supporting documents, the financial regulations take precedence.

Approval and review of financial regulations

- 1.5. The financial regulations are set and approved by the Council and are consistent with the financial strategy². They are reviewed by the Council every three years and more frequently should circumstances require. In line with good practice, the appropriate operational managers should regularly update the supporting documents.
- 1.6. The financial regulations apply to all HCPC employees. They are available on the intranet. Failure to comply with the financial regulations or

¹ The regulations apply to the Council and Committee members, permanent and fixed-term employees and temporary, interim, agency and contracted workers.

instructions issued under them, may result in disciplinary action. All employees are responsible for understanding their responsibilities under these regulations and complying with them. Managers are responsible for ensuring that employees they manage receive appropriate training on the regulations, understand them and comply with them.

- 1.7. On joining the HCPC, the Executive Leadership Team (ELT), who report directly to the Chief Executive, must sign a budget delegation letter confirming that they have read the financial regulations and understand and accept their responsibilities.
- 1.8. It is not possible to cover every eventuality within these financial regulations. Where a particular circumstance is not specifically referred to and there is any doubt as to the correct course of action, guidance should be sought in the first instance from the Head of Finance and Commercial.

2. Codes of behaviour in financial management

2.1. In addition to the financial regulations, the Nolan principles of public life³ apply to our financial management.

2.2. 'The Seven Principles of Public Life' are ethical standards that are expected of those working in public services, such as the HCPC and are as follows:

- Selflessness - to act solely in terms of the public interest.
- Integrity - to avoid placing ourselves under any obligation to people or organisations that might try inappropriately to influence us in our work. Not to act or take decisions in order to gain financial or other material benefits for ourselves, our family or our friends. To declare and resolve any interests and relationships.
- Objectivity - to act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
- Accountability - to be accountable to the public for our decisions and actions and to submit ourselves to the scrutiny necessary to ensure this.
- Openness - to act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for doing so.
- Honesty - to be truthful.
- Leadership - to exhibit these principles in our own behaviour. To actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

³ The Seven Principles of Public Life: [The Seven Principles of Public Life - GOV.UK](https://www.gov.uk/government/publications/the-seven-principles-of-public-life)

- 2.3. Alignment with the HCPC's values - based on the HCPC's people strategy⁴, the values outlined for the organisation are 'Fair', 'Compassionate', 'Inclusive' and 'Enterprising'. These values guide the HCPC's approach to regulatory responsibilities and workforce practices and reflect commitments such as transparency, respect, collaboration and a proactive, innovative mindset in service delivery and team culture.

3. Financial management framework

Financial delegations

- 3.1. Council responsibilities: the Council is ultimately responsible for the financial stability and integrity of the HCPC. It exercises financial control through strategic approvals, such as defining the financial control framework, overseeing reserves, investments and procurement policies and regularly reviewing financial reports.
- 3.2. Statutory duties: under the Health Professions Order 2001 (the Order), the Council is responsible for specific financial activities including setting fees, maintaining accounts, publishing annual accounts and appointing external auditors.
- 3.3. The scheme of financial delegation is represented in the diagram below⁵.

⁶ Scheme of Delegation: <https://www.hcpc-uk.org/globalassets/about-us/who-we-are/council-and-committees/code-of-corporate-governance/scheme-of-delegation.pdf>

Ensures adherence to best practices and professional standards in financial management.
- 3.9. Accountable for preparing management accounts, conducting quarterly reviews, budget preparation, medium-term financial projections and preparing annual accounts.

Delegated authority and budget responsibilities

No purchase orders or financial commitments should be initiated without prior approval from an authorised individual.
- 3.11. Budget management: budget holders are responsible for ensuring funds are used appropriately, aligning with departmental and organisational goals and adhering to financial regulations as well as the Procurement Policy⁷. Decisions on spending should be justifiable to registrants as responsible use of funds⁸.

⁷ [Procurement manual](#)

⁸ [Regularity, Propriety and Value for Money](#)

- 4.2. The HCPC's accounting systems must allocate income and expenses accurately to facilitate statutory account preparation. Whenever possible, items of income and expenditure should be assigned to relevant cost centers.
- 4.3. Registration fees: all registration fees charged to HCPC registrants are defined in the Health and Care Professions Council (Registration and Fees) Rules 2003⁹ and must be accurately recorded within the Registration system.
- 4.4. Fees for additional services: while the HCPC generally does not charge for additional services, any fees must align with the HCPC's objectives and ensure that registrant funds are not used to subsidise unrelated activities. If a service is requested by another organisation, individuals should consult with the Finance and Commercial department to determine if a fee should be charged.
- 4.5. Payroll oversight: payroll costs are managed through the HCPC's budget-setting process, as well as strict procedures for hiring and setting compensation for employees and temporary workers. In collaboration with the Head of HR, the Head of Finance and Commercial oversees systems for the timely and accurate payment of salaries, wages and pensions.
- 4.6. Expenditure authorisation: employees are required to obtain approval from an authorised budget holder before committing the HCPC's funds for any goods or services.

- 4.7. Procurement compliance: all goods and services must be procured in line with the Procurement Policy. Only the ELT, following authority thresholds set in Annex 1, can enter into contracts on behalf of the HCPC.
- 4.8. Budget holder responsibilities: before approving contracts or requisitions, budget holders must ensure that the expenditure is necessary, represents good value and adheres to Procurement Policy guidelines. Each contract or requisition should be clear and detailed, specifying deliverables, prices and deadlines. Documentation of compliance must accompany the requisition in the purchasing system.

Purchase orders and supplier payments

- 4.9. Purchase order creation and compliance: an approved purchase requisition generates a purchase order, forming a binding agreement with the supplier, who will invoice against it.

⁹ [consolidated-registration-and-fees-rules.pdf](#)

- 4.10. Goods and service receipt: budget holders are responsible for confirming that goods or services meet expectations before 'receipting' the purchase order. This action authorises payment to the supplier.

Corporate credit card usage

- 4.11. Corporate credit cards may be issued to employees for specific business needs, subject to ELT approval and Finance guidance. Cardholders must adhere to the Corporate Credit Card policy¹⁰ and use cards only for approved purposes, avoiding circumvention of standard expenditure controls.

Travel and subsistence

- 4.12. Employees must follow the expenses policy for any travel and accommodation expenses. Travel, subsistence and allowance claims are processed in line with the HCPC's expenses policy¹¹. The following approval protocols apply based on the claimant and nature of the claim:

- Employee claims: authorised by the claimant's line manager or designated departmental reviewer.
- Executive Directors or Chief Executive (domestic limits): self-authorised for claims up to £500 within the UK, with annual audits for policy compliance.
- Executive Director claims (exceeding domestic limits or international travel): authorised by the Chief Executive or another Executive Director and the Head of Finance and Commercial.

- 4.13. Capital expenditure follows the same processes as operational expenses, including budget, procurement and ordering approvals.
- 4.14. Fixed assets, which are defined annually in accounting policies by the Audit Risk and Assurance Committee, include equipment, furniture and property and are recorded in a fixed asset register managed by the Head of Finance and Commercial.
- 4.15. Disposals of assets require approval based on the net book value: if below £5,000, approval from the Head of Finance and Commercial is sufficient; if over £5,000, authorisation from the Executive Director of Resources or ELT is required.

Treasury and cash management

- 4.16. Banking arrangements: the Executive Director of Resources and the Head of Finance and Commercial oversee the HCPC's banking arrangements.
- 4.17. Approval for financial transactions:
 - Bank loans/overdrafts: Council approval is required for any bank loan or overdraft facility.
 - Leases: leases of land and buildings must be approved by the Council. Leases for office equipment require approval from the Executive Director of Resources.
 - Borrowing arrangements: Council approval is required for any borrowing arrangements by the HCPC.
- 4.18. Bank mandate: the Executive Director of Resources and Head of Finance and Commercial are responsible for approving the bank mandate, detailing individuals authorised to approve bank payments. To maintain appropriate segregation of duties, those approving payments must not have administrative access to the finance system.
- 4.19. Payment procedures: payment runs follow defined procedures and payment authorisers must review required evidence before approval.
- 4.20. Payment methods: the HCPC only accepts electronic payments - registrants' fees are made through HCPC Online, direct debit or debit/credit card. The HCPC does not accept payments via cheque or cash. All payments must be made electronically.
- 4.21. Debt recovery and write-offs: the Chief Executive holds full authority to pursue debt recovery, including the initiation of legal action when

necessary. The Executive Director of Resources is permitted to write off irrecoverable debts up to and not exceeding £10,000. The Chief Executive is permitted to write off irrecoverable debts exceeding £10,000. All debts exceeding £10,000 are reported to ARAC.

- 4.22. Losses and special payments: the HCPC report on all losses and special payments such as fruitless claims including cancellation payments to partners attending hearings and travel expenses incurred but not used, constructive losses, claims waived and abandoned and ex gratia payments to the Department of Health and Social Care (DHSC) as part of the annual return to the DHSC per HM Treasury's guidance on Managing Public Money. Losses and special payments exceeding £300,000 are also reported in HCPC's annual report.
- 4.23. Special severance payments: special severance payments to employees are reported to remuneration committee.

5. Financial planning, budgeting and reporting

- 5.1. The financial strategy and annual budgets are aligned with the HCPC's corporate strategy¹², ensuring sufficient resources for delivering objectives while maintaining financial sustainability and value for money.
- 5.2. The Council is responsible for approving the financial strategy (including fee policy), investment policy, reserves policy, the corporate strategy and the annual budget, with reviews occurring annually and updates every five years.

Budget process

- 5.3. Multi-year budgeting: budgets are created with a strong focus on the first year and are part of the annual business planning and budget setting process.
- 5.4. Budget approval: annual budgets detail overall income, expenditure (both operational and capital), allocations to departments, the annual registration fee and impact on reserves.
- 5.5. Budget holder responsibilities: budget holders are tasked with spending their budgets effectively, aiming for a tolerance of plus or minus 5%. However, demand led regulatory functions, for example Fitness to Practise hearing costs, should normally not be limited solely in order to remain within budget.
- 5.6. Budget revisions: budgets are fixed, revisions however, are captured outside of the original budgets via forecasts. The ELT has authority to move funds between budget line items, but the Council's approval is

¹² Corporate Strategy 2021-2026: <https://www.hcpc-uk.org/globalassets/about-us/what-we-do/corporate-strategy/hcpc-corporate-strategy-2021-2026.pdf>

required for proposals exceeding aggregate budgeted spend or for any change involving core business or capital expenditure. If budget holders wish to make a commitment that would lead to their budgeted spend being exceeded, the budget holder must follow the approval process from the ELT. Following approval from ELT, the changes will be captured in the revised forecast.

Investments for major projects

- 5.7. Project management: significant changes are managed using a project methodology supported by the Business Change team. This is monitored through a Change & Benefits Forum as part of the overall governance framework, which will provide an opportunity to define its role and responsibilities.
- 5.8. Summary investment case approval: required for projects costing between £100,000 and £250,000 that were not previously budgeted or projects that significantly affect registrants or the public.
- 5.9. Full investment case approval: required for projects over £250,000 or with substantial impact on registrants or the public or if requested by the Council after reviewing the summary investment case.
- 5.10. Council approval process: The Council must approve the investment case before project initiation and re-approval is necessary if there are changes to the project's scope, budget or timeline.

Management accounts and forecasts

- 5.11. Monthly management accounts are prepared for all areas of activity, with forecasts updated monthly for significant movements and detailed reforecasts carried out quarterly. Management accounts will compare actual costs against budget and forecast on a department-by-department and spend category basis.
- 5.12. Summarised management accounts will be presented to the People and Resources Committee and the Council, including comparison of actual income and expenditure to budget and forecast and explanation for significant variances. The Council may request additional reports as required.
- 5.13. Budget holders are responsible for reviewing management accounts and understanding the causes of variances to budget/forecast and being able to explain those variances to their manager or the Council as appropriate.

6. Other requirements

Risk management

- 6.1. The Council has a risk management policy and framework¹³. Budget holders must manage financial risks in accordance with the framework.

 - For the purposes of such examination, the Comptroller and Auditor General may inspect the HCPC's accounts and any records relating to them. Notwithstanding that power and the powers available under the National Audit Act 1983¹⁵, the Comptroller and Auditor General shall have the same authority as the internal and external auditors specified in paragraph 6.3 above.

ANTI-BRIBERY POLICY

Introduction

The Health and Care Professions Council (HCPC) is committed to acting with objectivity and integrity and conducting all of its activities in an honest and ethical manner.

This includes preventing bribery and fostering a culture in which bribery will not be tolerated in any form.

Council members, committee members, employees, partners and all others who act on the HCPC's behalf must uphold the highest standards of integrity when doing so.

Bribery

In essence, bribery is the giving or receiving of a financial or other inducement or advantage in connection with some improper performance of functions.

The Bribery Act 2010 creates two bribery offences:

- offering, promising or giving a financial or other advantage (the offence of bribing another person); and
- requesting, agreeing to receive or accepting a financial or other advantage (the offence of being bribed).

In either case the bribe must be intended to induce improper conduct by the recipient, that is the improper exercise of a function of a public nature or an activity connected with a business, trade or profession.

The Act also creates a separate offence of bribing a foreign public official. That offence is committed if a bribe is offered, promised or given to such an official with the intention of influencing the recipient in the performance of his or her public functions and with the intention of obtaining or retaining business or a business advantage.

Policy

All forms of bribery are strictly prohibited. A person who is subject to this policy (**you**) must not:

- offer or give a bribe to, or seek or accept a bribe from, any individual or organisation; or
- seek or accept, any payment (in cash or kind) or other inducement in respect of any service provided by or on behalf of the HCPC.

If you are unsure about whether a particular act contravenes this policy, you should seek advice by contacting bribery&fraud@hcpc-uk.org.

Hospitality, gifts etc.

This policy does not prohibit the acceptance, for legitimate purposes, of gifts or hospitality which are reasonable and appropriate.

A gift or hospitality will not be reasonable and appropriate if it is lavish or extravagant, or may be seen as an inducement or reward for any preferential treatment.

A gift will be reasonable and appropriate if it is of modest value or a token nature, such as flowers or pens, t-shirts, diaries and similar promotional items. Such gifts do not include expensive items, cash or its equivalent (such as vouchers) or any gift given in secret. No gift or other offering should be accepted if the value is reasonably believed to be over £10.

Hospitality will be reasonable and appropriate if it is of modest value and related to HCPC's activities, such as meals or refreshments provided at meetings or conferences. Such hospitality does not include offers of entertainment, such as attendance at sporting or other events unconnected to the HCPC's activities.

You must not:

- accept a gift or hospitality which is not reasonable and appropriate;
- accept a gift under any circumstances from a supplier or potential supplier when a contract is being awarded or business is being transacted; or
- accept a discount which is not generally available or any similar inducement in respect of products or services purchased for private purposes from an HCPC supplier.

If you are unsure about whether any gift or hospitality contravenes this policy, you should seek advice from bribery&fraud@hcpc-uk.org.

Record keeping

You must declare any gifts or hospitality which you receive or give.

You must prepare all records relating to dealings with suppliers and other relevant third parties completely and accurately.

Raising a concern

If you are offered a bribe or are asked to make one, or if you suspect that any bribery or other breach of this policy has occurred or may occur, you must report it as soon as possible to bribery&fraud@hcpc-uk.org

Also see the HCPC Whistle Blowing policy for further information.

Fraud Policy

Introduction

This document sets out the policy and procedures of the HCPC or the HCPTS against fraud, and other forms of dishonesty and supplements the Anti Bribery Policy.

It applies to Directors, employees, contractors, interims, agency staff, Council and Committee members and Partners. Anybody associated with the HCPC or the HCPTS who commits fraud, theft, or any other dishonesty, or who becomes aware of it and does not report it, will be subject to appropriate disciplinary action.

1. Statement of intent

The HCPC or the HCPTS will continually strive to ensure that all its financial and administrative processes are carried out and reported honestly, accurately, transparently and accountably and that all decisions are taken objectively and free of personal interest. We will not condone any behaviour that falls short of these principles.

All members of the HCPC or the HCPTS have a responsibility for putting these principles into practice and for reporting any breaches they discover. Fraud or attempted fraud by those employed or contracted to the HCPC may result in disciplinary action up to and possibly including dismissal and/or referral to the police.

3. Definitions

a) **Fraud**: A deliberate intent to acquire money or goods dishonestly through the falsification of records or documents. The deliberate changing of financial statements or other records by either; a member of the public, someone who works (in any capacity) or is a Partner for the HCPC or the HCPTS. The criminal act is the attempt to deceive and attempted fraud is therefore treated as seriously as accomplished fraud

b) **Theft**: Dishonestly acquiring, using or disposing of physical or intellectual property belonging to the HCPC or the HCPTS or to individual members of the organisation.

c) **Misuse of equipment**: Deliberately misusing materials or equipment belonging to the HCPC or the HCPTS for financial or material benefit.

d) **Abuse of position**: Exploiting a position of trust within the organisation for financial or material benefit.

4. Culture

The HCPC or the HCPTS fosters honesty and integrity in its entire employees and members. Directors, employees, Council & Committee members and Partners are expected to lead by example in adhering to policies, procedures and practices. Equally,

members of the public, service users and external organisations (such as suppliers and contractors) are expected to act with integrity and without intent to commit fraud against the HCPC.

As part of this, the HCPC or the HCPTS will provide clear routes by which concerns may be raised by Directors, employees, and members and Partners. Details of this can be found in the HCPC's Fraud Response Policy. Alternatively employees may email bribery&fraud@hcpc-uk.org

Also see the HCPC Whistle Blowing policy for further information.

Senior management are expected to deal promptly, firmly and fairly with suspicions and allegations of fraud or corrupt practice. The HCPC may use the 'Serious Event Report' process which can be found on the Quality Management System https://hcpcuk.sharepoint.com/:w:/s/QualityManagementSystemISO9001/EdZXHaYD9j1Cmaoojm1JhfABVPzMt5SP9DgU_07glaUv2g?e=mTQZ4a

5. Responsibilities

In relation to the prevention of fraud, theft, misuse of equipment and abuse of position, specific responsibilities are as follows:

a) Council members and ELT:

The Directors are responsible for establishing and maintaining a sound system of internal control that supports the achievement of the HCPC's policies, aims and objectives.

The system of internal control is designed to respond to and manage the whole range of risks which the HCPC faces.

The system of internal control is based on an on-going process designed to identify the principal risks, to evaluate the nature and extent of those risks and to manage them effectively. Managing fraud risk is seen in the context of the management of this wider range of risks.

Audit Committee will approve such measures on an annual basis.

b) The Chief Executive Officer:

Overall responsibility for managing the risk of fraud has been delegated to the CEO. The day-to-day responsibility has been delegated to the Chief Information Security and Risk Officer (CISRO) to act on behalf of the CEO.

Their responsibilities include:

- Undertaking a regular review of the fraud risks associated with each of the key organisational objectives.
- Establishing an effective anti-fraud response plan, in proportion to the level of fraud risk identified.
- The design of an effective control environment to prevent fraud.
- Establishing appropriate mechanisms for:

- reporting fraud risk issues
- reporting significant incidents of fraud, or attempted fraud to the Chair of Audit and Risk Assurance Committee;
- Liaising with the HCPC's appointed Auditors.
- Making sure that all employees and members are aware of the HCPC's Fraud Policy and know what their responsibilities are in relation to combating fraud;
- Ensuring that appropriate anti-fraud training is made available to Directors, employees and members and Partners as required; and
- Ensuring that appropriate action is taken to minimize the risk of previous frauds occurring in future.

c) Executive Leadership Team (ELT) & Senior Leadership Group (SLG)

The Executive Leadership Team and Senior Leadership Group are responsible for:

- ensuring that an adequate system of internal control exists within their areas of responsibility and that controls operate effectively;
- preventing and detecting fraud as far as possible;
- assessing the types of risk involved in the operations for which they are responsible;
- reviewing the control systems for which they are responsible regularly;
- ensuring that controls are being complied with and their systems continue to operate effectively; and
- implementing new controls to reduce the risk of similar fraud occurring where frauds have taken place.

d) Employees and members

All employees and Council or Committee members are responsible for:

- acting with propriety in the use of the HCPC's resources and the handling and use of funds whether they are involved with cash, receipts, payments or dealing with suppliers;
- conducting themselves with selflessness, integrity, objectivity, accountability, openness, honesty and leadership;
- being alert to the possibility that unusual events or transactions could be indicators of fraud;
- alerting their manager when they believe the opportunity for fraud exists e.g. because of poor procedures or lack of effective oversight;
- reporting details immediately if they suspect that a fraud has been committed or see any suspicious acts or events; and
- cooperating fully with whoever is conducting internal checks or reviews or fraud investigations.

e) Partners

Every Partner is responsible for:

- Acting with propriety in the use of the HCPC's resources and the handling and use information and of funds whether they are involved with cash, receipts, payments or dealing with suppliers;

6. Review

This policy will be reviewed by ELT and agreed by the Audit and Risk Assurance Committee on a bi-annual basis or if there is a significant change in the appropriate areas of law.

Fraud Response Plan

1. Introduction

- 1.1 This fraud response plan provides a checklist of actions and a guide to follow in the event that a fraud is suspected. It covers:
- Notifying Suspected Fraud
 - The investigation process
 - Liaison with police and NAO
 - Initiation of recovery action
 - Reporting Processes
- 1.2 Its purpose is to define authority levels, responsibilities for action and reporting lines in the event of suspected fraud. Theft or other irregularity.

2. Notifying Suspected Fraud

- 2.1 It is important that all employees are able to report their concerns without fear of reprisal or victimisation and are aware of the means to do so. The Public Interest Disclosure Act 1998 (the “Whistle Blowers Act”) provides appropriate protection for those who voice genuine and legitimate concerns through the proper channels. See the separate Whistle Blowing Policy for further details.
- 2.2 In the first instance, any suspicion of fraud, theft or other irregularity should be reported, as a matter of urgency, to your line manager. If such action would be inappropriate, your concerns should be reported upwards to one of the following persons:
- Head of Governance
 - A member of OMT
 - A member of SMT
 - Director of Finance
 - Chief Executive Officer
- 2.3 Concerns may also be raised with the Chair of the Audit Committee
- 2.4 Every effort will be made to protect an informant’s anonymity if requested. However, HCPC will always encourage individuals to be identified to add more validity to the concerns and allow further investigations to be more effective. In certain circumstances, anonymity cannot be maintained. This will be advised to the informant prior to release of information.

3. The Investigation process

- 3.1 Suspected fraud must be investigated in an independent, open-minded and professional manner with the aim of protecting the interests of both HCPC and the suspected individual(s). Suspicion must not be seen as guilt to be proven.
- 3.2 The investigation process will vary according to the circumstances of each case and will be determined by the Chief Executive Officer in consultation with the Director of Finance, the appropriate Director and Head of Governance. An Investigating Officer will be appointed to take charge of the investigation on a day-to day basis. This will normally be the Chief Information Security and Risk Officer or, exceptionally, another independent manager.
- 3.3 The Investigating Officer may appoint any investigation team as needed.
- 3.4 Where initial investigations reveal that there are reasonable grounds for suspicion, and to facilitate the ongoing investigation, it may be appropriate to suspend an employee against whom concerns have been raised. This decision will be taken by the Chief Executive Officer and/or the Director of Finance, in consultation with the Head of Human Resources and Organisational Development and the Investigating Officer. Suspension should not be regarded as disciplinary action, nor should it imply guilt. The process will follow guidelines set out in HCPC's Employee Handbook. Council & Committee members are subject to the Code of Conduct, in the code of Corporate Governance.
- 3.5 It is important from the outset, to ensure that evidence is not contaminated, lost or destroyed. The Independent Investigator will therefore take immediate steps to secure physical assets, including computers and any records thereon, and all other potentially evidential documents or electronic or document saving devices. They will also ensure, in consultation with management, that appropriate controls are introduced to prevent further loss.
- 3.6 The Investigating Officer will ensure that a detailed record of the investigation is maintained. This should include a chronological file recording details of all telephone conversations, discussions, meetings and interviews (with whom, who else was present and who said what), details of documents reviewed, tests and analyses undertaken, the results and their significance. Everything should be recorded, irrespective of the apparent significance at the time.
- 3.7 All interviews will be conducted in a fair and proper manner. Where there is a possibility of subsequent criminal action, the police will be consulted and interviews may be conducted under caution in compliance with the Police and Criminal Evidence Act (PACE), which governs the admissibility of evidence in criminal proceedings.
- 3.8 The findings of the investigation will be reported to the Chief Executive, Director of Finance and head of Human Resources and Organisational Development who will determine, in consultation with the Investigating officer, what further action (if any) should be taken.

4. Liaison with Police and National Audit office (NAO)

- 4.1 The police generally welcome early notification of suspected fraud, particularly that of a serious or complex nature. Some frauds will lend themselves to automatic reporting to the police (such as theft by a third party). For more complex frauds, the Chief Executive Officer, following consultation with the Director of Finance, Director of Human Resources and Organisational Development, Head of Governance and the Investigating Officer will decide if and when to contact the police. The Director of Finance will report suspected frauds to the NAO at an appropriate time.
- 4.2 All employees will co-operate fully with any police or NAO enquiries, which may have to take precedence over any internal investigation or disciplinary process. However, wherever possible, teams will co-ordinate their enquiries to maximise the effective and efficient use of resources and information.
