Name of education provider	Glasgow Caledonian University
Programme title	BSc (Hons) Applied Biomedical Science
Mode of delivery	Full time
Relevant part of the HCPC Register	Biomedical scientist
Date of submission to the HCPC	21 July 2015
Name and role of HCPC visitors	Pradeep Agrawal (Biomedical scientist) Ian Davies (Biomedical scientist)
HCPC executive	Mandy Hargood

Section two: Submission details

Summary of change

SET 3: Programme management and resources

Changes to module leadership

SET 4: Curriculum

Redesign of the curriculum for laboratory skills.

SET 6: Assessment

Redesign of laboratory skills, physiology, with a review of the assessment methods for the modules. The programme has also changed the external examiner who is not on the register but has the knowledge and experience for the role.

The following documents were provided as part of the submission:

- Major change notification form (completed by the HCPC executive)
- Context pack
- Major change SETs mapping document (completed by education provider)
- Programme specification
- Curriculum vitae booklet to accompany staff changes
- Original and replacement module descriptors for amended modules

Section three: Additional documentation

☒ The visitors agreed that no further documentation was required in order to make a recommendation.

☐ The visitors agreed that additional documentation was required in order to make a recommendation. The standards of education and training (SETs), for which additional documentation was requested, are listed below with reasons for the request.

Section four: Recommendation of the visitors

To recommend a programme for ongoing approval, the visitors must be assured that the programme meets all of the standards of education and training (SETs) and that those who complete the programme have demonstrated an ability to meet our standards of proficiency (SOPs) for their part of the Register.

The visitors agreed to recommend to the Education and Training Committee that:

☒ There is sufficient evidence to show the programme continues to meet the standards of education and training and that those who complete the programme will continue to demonstrate an ability to meet the standards of proficiency.

☐ There is insufficient evidence to determine if or how the programme continues to meet the standards of education and training listed. Therefore, a visit is recommended to gather more evidence and if required place conditions on ongoing approval of the programme.

Date of ETP final decision: 27 August 2015
