Do I need to self-refer to the HCPC?

Consider: self-referral
- You have a professional responsibility to tell us about concerns set out in standard 9.5 of the HCPC standards of conduct, performance and ethics as soon as possible.
- Read our online guidance and talk to us.

Evaluate:
- Is standard 9.5 met?
- Have you sought advice, such as from your professional body?
- Have you checked what information you need to provide us with?

Action: make a self-referral online
- Visit www.hcpc-uk.org
- Follow our step-by-step process to self-refer.
