Communications Committee, 24th May 2006**

Stakeholder Communications Proposal

Executive Summary and Recommendations

Introduction

Following the resignation of Sarah Dawson in February 2006, Tamsin Leigh has been appointed as Stakeholder Manager. This proposal has been drafted to expand upon the Communications Workplan and detail the way in which the department will communicate with stakeholders this financial year. A full Stakeholder Management strategy will be presented at the next Communications Committee for Committee members to note.
