APPOINTMENT TO THE COMMUNICATIONS COMMITTEE

Executive Summary and Recommendations

Introduction

In July 2006 Council agreed to appoint new Council members to the vacancies created by the member they are replacing for the remainder of the original member's term of office.

In May 2007 Council agreed;

'that Council will consider proposals from members who wish to swap to another committee and who can agree a swap with another member, providing that the outcome of the swap is in accordance with the committee's membership requirements.'

At its meeting on 9 July 2007 Council agreed that, Mr John Donaghy (newly elected registrant member), would take Mr Pat McFadden's (registrant Paramedic member until 8 July 2007) place on the following committees;

|-----------------|----------------------------------|
| Mr John Donaghy | Communications Committee |
| | Conduct and Competence Committee |

Mr Donaghy has since requested that Mr Mark Woolcock (alternate Paramedic member) replaces him on the Communications Committee. Mr Woolcock is happy with the proposal and is in accordance with the committee's membership requirements. The President has also agreed to this.
