

Health Professions Council – 29 May 2008

Council membership

Executive summary and recommendations

Introduction

Professor S Griffiths, alternate Radiographer member on Council resigned in May 2008.

The Health Professions Order states that if the unexpired term is less than 12 months the vacancy need not be filled.

Given the uncertainty regarding the timetable for the implementation of the proposed governance changes for Council and also given that there will be no alternate Council members on the reconstituted Council it is proposed that this position is left vacant and that the situation is reconsidered early in 2009 if there has been no progress regarding the governance changes and the timetable for those changes is still uncertain.

Decision

The Council is asked to agree the above proposal.
