

Health and Care Professions Council – 16 January 2015

Actions list

Executive summary and recommendations

Introduction

Below is the actions list as agreed at the last public meeting of the Council held on 3 and 4 December 2014:

	Action point (and location in minutes)	Action for	Comment
	4 December 2015:		
1.	<p>Item 5.14/203 Fitness to Practise final hearing audit report 1 April – 31 August 2014 (report ref:- HCPC174/14)</p> <p>In response to a question about whether a similar paper would be presented in relation to registration appeals, the Council noted that this should be done on a risk basis and so it would be of more value for the Council to look at an audit of the Investigating Committee panel decisions. It was agreed that this would be presented to Council in May.</p>	Executive	To be submitted to May meeting of Council
2.	<p>Item 6.14/204 Department of Health response to HCPC's Health Committee Report (report ref:- HCPC175/14)</p> <p>Aspirant groups had been contacted to provide information which would help HCPC's submission to the Health Committee in relation to statutory regulation. Now that the HCPC would not be called to another hearing during the current parliament, the plan was for the Council to consider the submissions at the February meeting of Council and then for a letter to be sent to the Health Committee setting out our position in terms of statutory regulation;</p>	Executive	To be submitted to the February meeting of Council

Decision

The Council is requested to note the actions. No decision is required.
