Proposed Amendments to Education and Training Committee Scheme of Delegation

Executive Summary and Recommendations

Introduction

This paper is related to the proposed disbandment of the Approvals Committee, which was considered and recommended by the Committee at its meeting on 28 September 2006.

If the Council agrees to the proposed disbandment, the Education and Training Committee's Scheme of Delegation will need to be amended, to draw back the powers which were previously delegated to the Approvals Committee. The proposed amendments are indicated in the appendix.

Implementation of these amendments is subject to the Council's decision on whether to disband the Approvals Committee. This is likely to be considered at the Council on 14 December 2006.

Decision

The Committee is asked to agree the following:

The Education and Training Committee Scheme of Delegation should be amended as shown in the appendix, with effect from 1 January 2007, subject to the Council's decision on whether to disband the Approvals Committee.

Background information

The Scheme of Delegation was originally considered by the Committee on 30 March 2005 and subsequently approved on 14 June 2005.

The Scheme was amended by the Committee on 15 December 2005, to take account of changes in the structure of the Executive.

Health Professions Council

Education and Training Committee

SCHEME OF DELEGATION

1. Introduction

- 1.1. This scheme of delegation ('the Scheme') is intended to facilitate the efficient and effective functioning of the Education and Training Committee ('the Committee') of the Health Professions Council ('the Council').
- 1.2. The Scheme is designed to ensure that, so far as possible, the Committee is responsible for policy and strategy and that the Executive implements that policy and strategy and is responsible for all operational matters.
- 1.3. The Scheme sets out:
 - those decisions which the Committee has reserved or must reserve to itself;
 - ~~those decisions which it has delegated to the Chief Executive and Registrar ('the Chief Executive') and persons nominated by the Chief Executive;~~
 - those decisions which it has delegated to the Director of Operations and persons nominated by the Director of Operations;.
- 1.4. The Executive, under the direction of the Chief Executive, remains responsible for day to day administration of the Council's affairs and nothing in the Scheme applies to any decision which is administrative in nature.

Deleted: <#>those decisions which it has delegated to the Approvals Committee;¶

2. Withdrawal of delegated power

- 2.1. The Scheme remains in force unless and until it is amended or revoked by the Committee.
- 2.2. The requirement to amend or revoke the Scheme does not apply to a matter in relation to which the Committee is of the opinion that delegated authority should not be exercised. In that event, the Committee may resolve that delegated authority shall not be exercised in relation to that matter.

3. Exercise of delegated power

- 3.1. Where power is delegated under the Scheme, the power must be exercised in a manner which is consistent with the Committee's obligations under the general law and the Health Professions Order 2001 ('the 2001 Order').
- 3.2. In particular, the decision maker must have regard to Article 3(4) of that Order, which provides that the main objective of the Council in exercising its functions is to safeguard the health and well-being of persons using or needing the services of registrants.
- 3.3. The decision maker must also recognise that lawful exercise of a statutory power requires not only formal compliance with the conditions laid down for its performance, but also with the principle that all statutory powers must be exercised in good faith and for their proper purpose.
- 3.4. Delegation does not impliedly authorise sub-delegation. Consequently, any person or body to whom the Committee has delegated any power may not permit another person or body to exercise that power unless the Committee has expressly authorised them to do so.

4. Matters reserved to the Committee

- 4.1. The Committee retains ultimate responsibility for all policy matters including agreeing the overall strategy for the performance of its functions.
- 4.2. The Committee retains responsibility for the following decisions which, to the extent that it is lawful to do so, may only be delegated by means of a specific resolution of the Committee:
 - responding to any consultation by the Council under Article 7 of the 2001 Order on the making of rules or the determining or varying of fees;
 - approving, for the purpose of Article 12(1) of the 2001 Order, qualifications awarded in the United Kingdom which attest to the standard of proficiency required for admission. (This is a function which has been delegated to the Committee by the Council without authority to sub-delegate).
 - establishing procedures under Article 12(2) of the 2001 Order for the assessment of qualifications obtained, and training and experience acquired, outside of the United Kingdom.
