

**Health Professions Council  
Education & Training Panel – 12 June 2007**

**ANNUAL MONITORING DECLARATIONS FOR APPROVAL**

**Executive Summary and Recommendations**

**Introduction**

The HPC annual monitoring cycle involves two types of monitoring submissions (audit and declaration). Education providers have been divided into group A and group B. In 2007, all programmes that are in group B need to complete a declaration form. Education providers are expected to submit the monitoring submissions to HPC within 28 days of their institution's own internal annual monitoring process.

This paper is asking the Education & Training Panel to agree that those education providers listed below, who have successfully submitted an HPC annual monitoring declaration form, continue to be approved as leading to registration with the Council.

All declarations forms for programmes have been checked and confirmed by the executive. Declaration forms may be seen upon request.

**Decision**

The Committee is asked to **agree:**

That the following programmes, which have submitted a signed declaration form, continue to meet the HPC standards of education and training and standards of proficiency.

<b>Education Provider</b>	<b>Programme Name</b>	<b>Delivery Mode</b>
University of Essex	MSc Physiotherapy	Full-time
University of Ulster	BSc (Hons) Podiatry	Full-time
