Guidance for Panel Chairs

In determining whether to accept a Visitors' report (including the conditions and recommendations in the report), the Panel must reach its decision on the basis of the evidence put before it, in the form of the HPC Visitors' report and any observations on the report made by the education provider.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision. If the Panel wishes to amend the report, it should give reasons for each amendment.

Decision:
That the Visitors' report (including the conditions and recommendations in the report) should be accepted, subject to the amendment that the Education and Training Panel meeting date should be corrected on page 2 to read 2 December 2008.

Reasons
The Panel is satisfied that the conditions in the Visitors' report must be met before the programme can be approved or before the ongoing approval of the programme can be confirmed.

Signed: Pam Sabine (Chairman of the Panel)
