**Programmes in respect of which approval is recommended subject to conditions**

<b>Education provider</b>	Aston University
<b>Programme name</b>	BSc (Hons) Applied Biomedical Science
<b>Mode of delivery</b>	Full Time
<b>Date of decision</b>	Thursday 20 May 2010

**Panel: Eileen Thornton (Chair) Penny Renwick**  
**Jeff Lucas Annie Turner**

**Guidance for Panel Chairs**

In determining whether to approve a programme, the Panel must reach its decision on the basis of the evidence put before it, in the form of the HPC Visitors' report and any observations on the report made by the education provider.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision. If the Panel wishes to amend the report, it should give reasons for each amendment.

<b>Decision</b>
That the Visitors' report (including the conditions and recommendations in the report) should be accepted.
<b>Reasons</b>
The Panel is satisfied that the conditions in the Visitors' report must be met before the programme can be approved or before the ongoing approval of the programme can be confirmed.
