Paper title: Health and Character Declarations

Executive summary and recommendations

Introduction

This paper is intended to provide the Education and Training Committee with an update on Health and Character Declarations that have been received by the HPC. Panels are currently meeting 7 times a month.

Decision

This paper is for information only. No decision is required.

Background information

The statistics do not include August as the paper was completed before the end of the month. The indications are that the number of new applications received over the traditionally busy summer months when new graduates apply for registration is greater than in 2010.
