

Education and Training Committee Panel

Programmes which have submitted no representations having been informed of the Committee's intention to commence withdrawal of approval proceedings and for which the withdrawal of ongoing approval status is recommended.

Date of decision: Wednesday 22 February 2012

Panel: John Donaghy Jo-Anne Carlyle

Penny Renwick Annie Turner

Guidance for Panel Chairs

The Panel withdraw approval from closed programmes to ensure education providers cannot not re-establish training programmes which lead to HPC registration.

The Panel must reach its decision on the basis of the evidence put before it, in the form of the evidence provided by the Executive and any observations made by the education provider.

The recommendation of the Executive is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.

Decision:

That the programmes listed below, for which the Education Providers have submitted no representations having been informed of the Committee's intention to commence withdrawal of approval proceedings, have their ongoing approval status withdrawn.

Reasons

The Panel is satisfied that the programmes listed below have closed, or are closing. These programmes either have no students, or have students but are no longer recruiting additional cohorts.
