Section three: Additional documentation	2
Section four: Recommendation of the visitor(s).....	2
Section five: Visitors' comments	2

Section one: Programme details

Name of education provider	Cardiff University (Prifysgol Caerdydd)
Programme title	BSc (Hons) Occupational Therapy
Mode of delivery	Full time Part time
Relevant part of HPC register	Occupational therapist
Date of submission to HPC	7 February 2012
Name and profession of HPC visitors	Joanna Goodwin (Occupational therapist) Margaret Foster (Occupational therapist)
HPC executive	Ruth Wood

Section two: Submission details

Summary of change

SET 4 Curriculum
SET 5 Practice placements
SET 6 Assessment

The education provider is making modifications to their curriculum. They are making amendments to the learning outcomes and to some assessments.

The following documents were provided as part of the submission:

- Change notification form
- Context pack

- Major change SETs mapping document (completed by education provider)
- SOPs mapping document
- Validation document
- Student handbook

Section three: Additional documentation

- The visitors agreed that no further documentation was required in order to make a recommendation.
- The visitors agreed that additional documentation was required in order to make a recommendation. The standards of education and training (SETs), for which additional documentation was requested, are listed below with reasons for the request.

Section four: Recommendation of the visitors

To recommend a programme for ongoing approval, the visitors must be assured that the programme meets all of the standards of education and training (SETs) and that those who complete the programme have demonstrated an ability to meet our standards of proficiency (SOPs) for their part of the Register.

The visitors agreed to recommend to the Education and Training Committee that:

- There is sufficient evidence to show the programme continues to meet the standards of education and training and that those who complete the programme will continue to demonstrate an ability to meet the standards of proficiency.
- There is insufficient evidence to determine if or how the programme continues to meet the standards of education and training listed. Therefore, a visit is recommended to gather more evidence and if required place conditions on ongoing approval of the programme.

Section five: Visitors' comments

The visitors were happy that the SETs continued to be met; however from reviewing the modules provided they recommend the HPC's standards of conduct, performance and ethics could be listed in the reference lists of appropriate modules. The visitors felt this would allow students to make a direct association between the course material and regulatory body standards.

Summary of change

SET 4 Curriculum
SET 5 Practice placements
SET 6 Assessment

These groups of SETs have been affected by changes made in the light of new HEI policies to rationalise the credit units and produce a more coherent framework across the programme to enhance the learning of the students

The following documents were provided as part of the submission:

- Change notification form
- Context pack
- Major change SETs mapping document (completed by education provider)

- Current/Proposed structure
- Programme specification
- External examiners feedback
- Response to student meeting
- Course content changes to:
 - Clinical Education
 - Application of clinical theory
 - Foundations of Communication
 - Investigating Human Development

Section three: Additional documentation

- The visitors agreed that no further documentation was required in order to make a recommendation.
- The visitors agreed that additional documentation was required in order to make a recommendation. The standards of education and training (SETs), for which additional documentation was requested, are listed below with reasons for the request.
