### Guidance for Panel Chairs

The Panel withdraw approval from closed programmes to ensure education providers cannot not re-establish training programmes which lead to HPC registration.

The Panel must reach its decision on the basis of the evidence put before it, in the form of the evidence provided by the Executive and any observations made by the education provider.

The recommendation of the Executive is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.
