

Item 07

Education and Training Committee
4 November 2026

Matters Arising

The actions as agreed at the previous public meetings of the Committee are set out below. The Committee is requested to note the responses to the actions.

Action no	Date of meeting	Agenda item	Action	Lead	Date due	Response	Status
21	4 March 2026	Education key performance indicator (KPI) review	The Head of Education would consider how an evaluation of education provider's performance against the revised SETs could be incorporated into future Education annual reports.	Head of Education	Nov-27	The earliest opportunity to report on this is expected to be November 2027 (revised from November 2026), and will likely be limited in scope, as formal compliance checking with education providers will not begin until the 2027-28 academic year. Consideration will be given to incorporating this information into Education performance reports during 2027-28, as these may be a more appropriate reporting mechanism than the annual report.	Not yet due
25	3 June 2026	Education Performance Report	The Head of Education would facilitate a discussion on lifelong learning and its implications for professional standards at the next Committee workshop.	Head of Education	02/11/2026	This is included on the agenda for the 2 November 2026 workshop. Action completed.	Propose closed
29	9 September 2026	English language proficiency: implementation	The Policy Manager would undertake an analysis of the impact of the revised English language proficiency requirements by profession and share this analysis with Committee members.	Policy Manager	30/11/2026	Data has been received from the Insight and Analytics team, and the analysis is expected to be circulated with Committee members in November.	Open
30	9 September 2026	Revised standards of education and training – education quality assurance compliance assessment approach	The Head of Education and the Committee Chair would discuss the implications of the revised SETs for Education and Training Panel members.	Head of Education/ Committee Chair	02/11/2026	This is included on the agenda for the 2 November 2026 workshop, and a new slide has been incorporated into the standing Education performance report. Action completed.	Propose closed
31	9 September 2026	Revised standards of education and training – education quality assurance compliance assessment approach	The Head of Education would consider developing a flowchart setting out the different compliance assessment scenarios for education providers.	Head of Education	10/11/2026	This will be developed for the education provider webinars, with materials currently being delivered for the webinar on 10 November 2026.	Not yet due
31	30 September 2026	Performance review - Review period for institutions which have been subject to the performance review process, with provider observations	The Panel Chair would raise with the Chair of Education and Training Committee the broader issue of terminology relating to data points for organisations where standard HEI data returns are not applicable, for further consideration with the Head of Education.	ETP Chair/Head of Education	02/11/2026	This has been added to the 2 November 2026 workshop agenda. Action completed.	Propose closed
