<b>Programme name</b>	Hearing Aid Aptitude Test
<b>Education provider</b>	University of Southampton
<b>Mode of delivery</b>	DL (Distance Learning)
<b>Assessment ref</b>	AM07896
<b>Date of decision</b>	24 April 2019

**Panel:** Stephen Wordsworth (Chair)      Sonya Lam  
Maureen Drake                                  Penny Joyce  
Luke Jenkinson

<b>Decision</b>
That the programme has been subject to an annual monitoring audit and that an approval visit is required to determine how the programme continues to meet the SET 4.9.
<b>Reasons</b>
The Panel agreed with the conclusion reached by the visitors through the annual monitoring audit process that a visit is required to ensure the standard continues to be met. A visit provides the most effective opportunity for the education provider to demonstrate how all relevant education standards continue to be met. This process will also provide visitors with the evidence needed to make further recommendations to the Panel regarding the ongoing approval of the programme.
The visit should be held along normal timescales and should involve a review of SET 4.9 of the Standards of education and training (SETs).
