

**Education and Training Committee Panel**

**Programmes which have been subject to major change and for which an approval visit is recommended.**

<b>Programme name</b>	BSc (Hons) Paramedic Science
<b>Education provider</b>	University of the West of England, Bristol
<b>Mode of delivery</b>	FT (Full time)
<b>Assessment ref</b>	MC04660
<b>Date of decision</b>	12 November 2020

**Panel:** Stephen Wordsworth (Chair) Penny Joyce  
Luke Jenkinson Maureen Drake  
Sonya Lam

<b>Decision</b>
That the programme has been subject to major change and that a targeted approval visit is required to determine how the programme continues to meet the relevant education standards.
<b>Reasons</b>
The Panel agreed with the conclusion reached by the visitors through the major change process that a visit is required to ensure the standards continue to be met. The Panel agreed that a full review would not be necessary and that a targeted review would provide the most effective opportunity for the education provider to demonstrate how the four outstanding education standards continue to be met. This process will also provide visitors with the evidence needed to make further recommendations to the Panel regarding the ongoing approval of the programme.
The visit should be held along normal timescales and should involve a targeted review of the programme against the four standards 3.1, 3.4, 3.6 and 3.12.

**Signed:**..... **Panel Chair**
