Process for the nomination of Chairs of Committees

Introduction

The Health Professions Order 2001 provides for all Committee appointments (including sub-committees) to be made by the Council and, therefore, the appointment of Committee chairs is made by the Council and not the Committee concerned.

Process

- At its first meeting, each committee is asked to nominate a person to be appointed by the Council as chair of that committee.
- In the event that only one member is nominated then, unless the Council decides to the contrary, that person will be appointed as Chair.
- If more than one member is nominated or the committee cannot agree on a nomination, then, in relation to the candidates nominated or who have put themselves forward, a secret ballot will be conducted by the Secretary of the Council among the members of Council present.
- Before the ballot is conducted each candidate will be given the opportunity, if they so wish, to address the Council for not more than five minutes.
- The members nominated may scrutinise the ballot process or appoint another member to do so on their behalf.
- The Registrar will announce the result of the ballot to the meeting and the winning candidate will be appointed as Chair.
- The term of office of Chair is two years.
