

Election of the Chairman and Deputy Chairman of the Investigating Committee Investigating Committee Meeting - 11th November 2005

Introduction

The Health Professions Order 2001 provides for all Committee appointments (including sub-committees) to be made by the Council and, therefore, the appointment of Committee Chairmen is made by the Council and not the Committee concerned.

The last Investigating Committee meeting held on Thursday 8th September was unfortunately inquorate. Committee members were therefore unable to proceed with their first item of business to elect the Chairman and Deputy Chairman of the Investigating Committee.

Decision

The Investigating Committee is asked to nominate a person to be appointed by the Council as Chairman of this Committee.

The Investigating Committee is also asked to nominate a person to be appointed by the Council as Deputy Chairman of this Committee.
