(4) The Registrar may enter on the register any other information which is material to a registrant's registration.

(5) The Registrar shall keep the register in a form and manner which guards against falsification and shall take all reasonable steps to ensure that only he and such persons as have been authorised by him in writing for the purpose shall be able to amend the register or have access to the version of the register which contains entries which are not included in the published version of the register.

- (b) evidence that there is in force in relation to the applicant, or will be as necessary for the purpose of complying with article 11A of the Order, appropriate cover under an indemnity arrangement; and
- (c) such other documents, information or evidence as the Committee may reasonably require for the purposes of verifying the information in and determining the application.¹²

Other conditions of registration

- (b) such other matters as appear to it to be relevant,

and for this purpose the Committee may seek information additional to that provided with the application for registration from the applicant and from any other person or source as it

considers appropriate and may require the applicant to be examined or further examined by a doctor nominated by the Committee.

Prescribed periods for additional education and training requirements

6.—(1) The prescribed period for the purposes of article 9(2)(a)(i) of the Order is five years (period within which a qualification must have been awarded).

(3) A person to whom article 9(2)(a)(ii) or 10(2)(c) of the Order applies shall not be admitted or re-admitted to the register or have his registration renewed unless he has—

Certificates

8.—(1) The Registrar may¹⁷, upon entering the name of a person in the register, issue to that registrant a certificate, in a form determined by the Council, which includes the part of the register in which he is registered, any designated title he may use and the date of registration.

(2) Any certificate issued in accordance with paragraph (1) shall remain the property of the Council and shall be surrendered to the Registrar by the person if—

- (a) a striking off order is made against him;
- (b) his name is removed from the register; or
- (c) for any other reason, the certificate no longer accurately reflects his entry in the register.

(3) Where any certificate is surrendered by a registrant in accordance with paragraph (2)(c) the Registrar shall issue a replacement certificate to that registrant which accurately reflects his entry in the register.

Amendments to register

9.—(1) A registrant shall notify the Registrar in writing within one month of any change in the registrant's name or home address as given in the register.

(2) The Registrar shall amend the register, so far as may be necessary—

- (d) to reflect any other information which comes to the attention of the Registrar and which in the Registrar's opinion requires such an amendment to be made in order to maintain the register's accuracy.

(3) Before making any amendment under paragraph (2)(a) or (d) the Registrar may make such further enquiries or require such further evidence from the registrant concerned as appears to the Registrar to be appropriate.

Registration period

10.—(1) A person's registration period is to be determined in accordance with this rule.

...¹⁸

(3) A person's¹⁹ first registration period shall begin on the day on which he is first registered in respect of the profession concerned and shall end on the next occurrence of²⁰ the date shown in column 2 of Schedule 5 opposite the part of the register shown in column 1 of Schedule 5 in which he is registered.

(4) In respect of any registrant, subject to paragraph (5), a registration period subsequent to the first registration period ...²¹ shall begin on the day after the previous registration period ends and shall end on the next occurrence of the date shown in column 2 of Schedule 5 opposite the part of the register shown in column 1 of Schedule 5 in which he is registered.²²

(5) If a person's name is removed from the register and he is thereafter readmitted or restored to the register, his registration period shall begin on the day on which he is readmitted or restored and shall end on the next occurrence of²³ the date shown in column 2 of Schedule 5 opposite the part of the register shown in column 1 of Schedule 5 in which he is registered.

Renewal of registration

11.—(1) Not less than 42 days before his registration ends, the Committee shall send to a registrant a notice (a registration renewal notice)—

- (a) inviting the registrant to submit an application for the renewal of his registration;
- (b) specifying the renewal fee prescribed in rule 15, and

- (c) warning the registrant that he is liable to be removed from the register unless his completed application and the renewal fee is received by the Committee on, or before, the date specified in that notice.

(2) An application referred to in paragraph (1)(a) may either be—

- (a) a written one, in the form determined by the Council and containing the declaration and information listed in Schedule 2; or
- (b) an electronic one, in the manner and form required by the Registrar which includes the declaration and information which would be required if the application were a written one.

(3) If both the registrant's application for the renewal of his registration and the renewal fee are not received by the Committee by the date specified in the registration renewal notice, the Committee shall send a notice to the registrant warning him that unless both his application and the renewal fee are received within the relevant period, his name may be removed from the register.

(4) The "relevant period" is a period of 14 days beginning with the day on which a warning notice is sent to the registrant.

(5) Where both the registrant's application for the renewal of his registration and the renewal fee are not received within the relevant period, the Committee may direct the Registrar to remove the registrant from the register from the later of—

- (a) the day on which that period expires, and
- (b) the day on which the registrant's registration would otherwise expire.

(6) Any notice given by the Committee to a registrant under this rule may—

- (a) be sent by post to the home address of the registrant as it appears in the register and shall be treated as sent at the time of its posting; or
- (b) where the registrant has given a written statement to the Registrar consenting to receive any such notice in an electronic form, it may be sent to the electronic address specified in that statement or in any superseding statement.²⁴

Continuing professional development

11A.—(1) A registrant must—

- (a) undertake continuing professional development in accordance with the standards specified by the Council under article 19(4)(a) of the Order and which apply to him; and
- (b) maintain an up to date record (including any supporting documents or other evidence) of the continuing professional development he has undertaken.

- (2) The Committee may at any time send a notice to a registrant requiring him to—
- (a) submit his continuing professional development record for inspection; and
 - (b) provide the Committee with such other evidence as it may reasonably require,

within such time period as the Committee may specify in the notice (which shall be at least 21 days beginning with the day on which the notice was sent), for the purpose of determining whether the registrant²⁵ has met the requirements of paragraph (1).

(3) Where, from the information supplied by the registrant in accordance with paragraph (2), the Committee is not satisfied that he has complied with a requirement imposed by paragraph (1)(a) or (b), the Committee shall send the registrant a notice—

- (a) providing a statement of the reasons why the Committee is not satisfied that the registrant has complied with the requirement; and
- (b) inviting the registrant to submit his observations on the matter by the date specified in the notice, which shall be at least 14 days after the date on which the notice was sent.

(4) If, after considering any observations, the Committee is of the view that the registrant has not complied with a requirement imposed by paragraph (1)(a) or (b), the Committee may instruct the Registrar to remove the name of the registrant from the register.

(5) If a registrant fails to respond to a notice sent to him by the Committee under paragraph (2) within the period specified in the notice, the Committee shall send him a further notice warning that, if he does not respond to the original notice before the end of the period of 14 days beginning with the day on which the further notice was sent, his name may be removed from the register.

(6) If a registrant does not respond by the date specified in the notice under paragraph (2) or the further notice under paragraph (5), then the Committee may instruct the Registrar to remove the name of the registrant from the register.²⁶

Cessation of appropriate cover under an indemnity arrangement

11B. A registrant must notify the Registrar in writing immediately if for any reason the registrant ceases, or will cease, to have in force in relation to the registrant for the purpose of complying with article 11A of the Order, appropriate cover under an indemnity arrangement.²⁷

Information required on indemnity arrangements

11C.—(1) The Registrar may in accordance with paragraph (2) serve notice on a registrant to provide information to the Registrar for the purposes of determining whether, at any time, there is in force in relation to the registrant an indemnity arrangement which provides appropriate cover for the purpose of complying with article 11A of the Order.

(2) That notice must specify—

- (a) the information or evidence required to determine that the registrant has in force in relation to that registrant, an indemnity arrangement which provides appropriate cover for the purpose of complying with article 11A of the Order;
- (b) such other information as the Registrar may reasonably require for the purpose of determining whether the registrant's indemnity arrangement provides appropriate cover; and
- (c) the time period for complying with the notice, which shall not be less than seven days beginning with the day on which the notice was sent.

(3) The Registrar may remove the registrant from the register where—

- (a) having considered any evidence or information provided in response to a notice under paragraph (2), the Registrar is not satisfied that a registrant has an indemnity arrangement which provides appropriate cover; or
- (b) registrant fails to comply with a notice served under paragraph (2) within the period specified in the notice.

(4)...²⁸

Application for removal from the register

12.—(1) Without prejudice to any other power of the Registrar to remove a registrant's name from the register, the Registrar may remove the name of a registrant from the register upon written application made by or on behalf of that registrant.

(2) An application for the removal of a name from the register shall be made in writing and shall be accompanied by a declaration that the registrant concerned is not aware of any matter which could give rise to an allegation against him under article 22 of the Order.

(3) The Registrar may not remove the name of a registrant from the register under this rule if the registrant is subject to any allegation, investigation, proceedings or order of a kind mentioned in rule 13(5).

Lapse of registration

13.—(1) Where in accordance with article 10(3) of the Order, the Committee renews a registrant's registration subject to a condition that he satisfies a specified requirement of article 10(2)(b) or (c) of the Order within a specified time, the Committee shall inform the registrant at the time it renews his registration that he must, before the expiry of the specified time, confirm in writing that he has complied with the condition and provide evidence which satisfies the Committee that he has done so.

(2) If, by the expiry of the specified time, the Committee—

- (a) does not receive the written confirmation and evidence; or
- (b) is not satisfied that the registrant has complied with the condition,

it shall send a notice to the registrant stating that, unless before the end of the period of 14 days beginning with the day on which the Committee sent the notice he provides the confirmation and evidence that he has complied with the condition his name will be removed from the register.

(3) If the written confirmation and evidence are not received or the Committee is not satisfied that the registrant has complied with the specified condition within the specified time, the Committee shall instruct the Registrar to remove the registrant's name from the register.

(4) Where the Committee instructs the Registrar to remove a registrant's name from the register in accordance with paragraph (3) the Committee shall send him a notice informing him of that fact and advising him of his right of appeal under article 37 of the Order.

(5) A person's registration shall not lapse and his name shall not be removed from the register under article 10(3) or 11 of the Order if that person—

- (a) is the subject of an allegation under article 22(1) of the Order (or is treated as if he were the subject of an allegation under article 22(6) of the Order) or is the subject of any investigation or proceedings under Part V or VI of the Order, on the grounds only that he has not paid the prescribed fee or has failed to apply for renewal in the prescribed form or within the prescribed time; or
- (b) is the subject of a suspension order, conditions of practice order, interim suspension order or interim conditions of practice order.

14. The fee to be charged for registration following an application for registration is—
