(9) The withdrawal under this article of approval from any education or training, qualification or institution shall not affect the entitlement of any person to be registered on the basis of an award to him, before the date on which the decision withdrawing approval had effect, of—

   (a) the qualification concerned; or

21.—(1) The Council shall—

(a) establish and keep under review the standards of conduct, performance and ethics expected of registrants and prospective registrants (including registrants or prospective registrants carrying out the functions of an approved mental health professional) and give them such guidance on these matters as it sees fit; and

(b) establish and keep under review effective arrangements to protect the public from persons whose fitness to practise is impaired.

(2) The Council may also from time to time give guidance to registrants, employers and such other persons as it thinks appropriate in respect of standards for the education and training, supervision and performance of persons who provide services in connection with those provided by registrants.

(3) The Council shall—

(a) before establishing any... arrangements mentioned in paragraph (1), consult... the persons mentioned in article 3(14); and

(b) before giving guidance under paragraph (1) or (2) consult the Education and Training Committee in addition to the persons mentioned in article 3(14).

Information for specified state professionals

21A.—(1) The Council must make information about the following matters available to specified state professionals—

(a) the relevant laws to be applied regarding disciplinary action, financial responsibility or liability and other relevant matters;

(b) the principles of discipline and enforcement of professional standards, including disciplinary jurisdiction and consequential effects on practising professional activities;

(c) the processes and procedures for the ongoing verification of competence;

(d) the criteria for, and procedures relating to, removal from the register;

(e) the documentation required of specified state professionals and the form in which it should be presented; and
(f) the documents and certificates issued in relation to professional qualifications or other conditions that apply to the practice of registrants that are acceptable to the Council.

(2) The Council must deal promptly with enquiries from specified state professionals about conditions that apply to the practice of registrants.

Allegations

22.—(1) This article applies where any allegation is made against a registrant to the effect that—

(a) his fitness to practise is impaired by reason of—

(i) misconduct,

(ii) lack of competence,

(iii) a conviction or caution in the United Kingdom for a criminal offence, or a conviction elsewhere for an offence which, if committed in England and Wales, would constitute a criminal offence,

(iv) his physical or mental health, or

(v) a determination by a body in the United Kingdom responsible under any enactment for the regulation of a health or social care profession... to the effect that his fitness to practise is impaired, or a determination by a licensing body elsewhere to the same effect;

(b) an entry in the register relating to him has been fraudulently procured or incorrectly made.

(2) For the purposes of this article references to a conviction include a conviction by a Court Martial.

(3) This article is not prevented from applying because the allegation is based on a matter alleged to have occurred outside the United Kingdom or at a time when the person against whom the allegation is made was not registered.

(4) Rules may provide that where a Practice Committee finds that a person has failed to comply with the standards mentioned in article 21(1), such failure shall not be taken of itself to establish that his fitness to practise is impaired, but may be taken into account in any proceedings under this Order.
When an allegation is made to the Council or any of its committees, as soon as reasonably practicable after receipt of the allegation in the form required by the Council, the Council shall refer it—

(a) where it is an allegation of the kind mentioned in paragraph (1)(b), to the Investigating Committee; and

(b) in any other case—

(i) to persons appointed by the Council in accordance with any rules made under article 23, or

(ii) to a Practice Committee.

If an allegation is not made under paragraph (1) but it appears to the Council that there should be an investigation into the fitness to practise of a registrant or into his entry in the register it may refer the matter in accordance with paragraph (5) and this Order shall apply as if it were an allegation made under paragraph (1).

Hearings and preliminary meetings of Practice Committees at which the person concerned is entitled to be present or to be represented are to be held in—

(a) the United Kingdom country in which the registered address of the person concerned is situated; or

(b) if he is not registered and resides in the United Kingdom, in the country in which he resides; and

(c) in any other case, in England.

While the registration of a registrant is suspended by virtue of a suspension order or an interim suspension order he shall be treated as not being registered notwithstanding that his name still appears in the register but this does not prevent action being taken in respect of such a person as appropriate under articles 22 to 32 of this Order.

The Council shall publish as soon as reasonably practicable particulars of any orders and decisions made by a Practice Committee under article 26(7) or (12), 29(5), 30(1), (2), (4), (6), (7) or (8) or 33 and of its reasons for them and of any decision given on appeal.

The Council may disclose to any person any information relating to a person's fitness to practise which it considers it to be in the public interest to disclose.

In this Part "the person concerned" means the person against whom an allegation has been made.
Screeners

23.—(1) The Council may by rules provide for the appointment of persons, to be known as Screeners, to whom allegations may be referred in accordance with this Order or rules made under it.

(2) A person shall not be prevented from being a Screener merely because he is—

(a) a member of the Council or any of its committees, other than a Practice Committee; or

(b) a visitor.

(3) No person may be a Screener if he is—

(a) a member of a Practice Committee;

(b) a legal, medical or registrant assessor; or

(c) employed by the Council.

(4) No person may act as a Screener in respect of a particular case if he has been involved in that case in any other capacity.

Screeners: supplementary provisions

24.—(1) Any rules made under article 23 shall contain the provisions mentioned in paragraphs (2) and (3).

(2) The rules made under article 23(1) shall provide that—

(a) any matter referred to the Screeners shall be considered by a panel of at least two Screeners;

(b) the panel shall include at least one lay person and one registrant selected with due regard to the professional field of the person concerned and to the matter under consideration;

(c) the number of registrants on any panel may not exceed the number of lay persons.

(3) Any such rules shall give Screeners the functions—

(a) of considering the allegation and establishing whether, in their opinion, power is given by this Order to deal with it if it proves to be well founded;

(b) if in their opinion such power is given, of referring the matter together with a report of the result of their consideration to such Practice Committee as they see fit;
(c) if in their opinion such power is not given, of closing the case, provided that—

(i) if there are two Screeners, the lay person agrees, or

(ii) if there are more than two Screeners, it is the decision of the majority,

and if head (i) or (ii), as the case may be, is not satisfied, of referring the matter in accordance with sub-paragraph (b).

(d) where requested to do so by any Practice Committee, of mediating in any case with the aim of dealing with the allegation without it being necessary for the case to reach the stage at which the Health Committee or Conduct and Competence Committee, as the case may be, would arrange a hearing in accordance with article 32(2)(f);

(e) in the event that mediation fails, of referring the matter back to the Practice Committee which referred it to the Screeners.

(4) The Council may make such provision in respect of Screeners as it may determine—

(a) for the payment of fees and allowances, including the payment of allowances to employers of Screeners for the purpose of enabling Screeners to perform their functions under this Order; and

(b) for the reimbursement of such expenses as the Screeners may reasonably have incurred in the course of carrying out their functions under this Order.

(5) If the Screeners decide that power is not given by this Order to deal with the allegation the Registrar shall inform the person making the allegation giving reasons.

Council's power to require disclosure of information

25.—(1) For the purpose of assisting the Council or any of its Practice Committees in carrying out functions in respect of fitness to practise, a person authorised by the Council may require any person (other than the person concerned) who in his opinion is able to supply information or produce any document which appears relevant to the discharge of any such function, to supply such information or produce such a document.

(2) As soon as is reasonably practicable after a decision has been made under article 22(5) or (6) to refer an allegation or other matter to a Practice Committee, the Council shall require, from the person concerned, details of—

(a) any person—

(i) by whom he is employed to provide services in, or in relation to, the profession in respect of which he is registered, or
(ii) with whom he has an arrangement to provide such services; and

(b) any body by which he is authorised to practise, in the United Kingdom or elsewhere, a health or social care profession which is regulated under any enactment.

(3) Nothing in this article shall require or permit any disclosure of information which is prohibited by or under any other enactment.

(4) But where information is held in a form in which the prohibition operates because the information is capable of identifying an individual, the person referred to in paragraph (1) may, in exercising his functions under that paragraph, require that the information be put into a form which is not capable of identifying that individual.

(5) Paragraph (1) shall not apply in relation to the supplying of information or the production of any document which a person could not be compelled to supply or produce in civil proceedings in any court to which an appeal would lie from a decision of a Practice Committee with regard to the person concerned.\textsuperscript{90}

(6) \textsuperscript{91}

The Investigating Committee

26.—(1) The Investigating Committee shall investigate any allegation which is referred to it in accordance with article 22 or 24.

(2) Where an allegation is referred to the Investigating Committee, it shall—

(a) notify without delay the person concerned of the allegation and invite him to submit written representations within a prescribed period;

(b) where it sees fit, notify the person making the allegation of the representations mentioned in sub-paragraph (a) and invite him to deal within a specified period with any points raised by the Committee in respect of those representations;

(c) take such other steps as are reasonably practicable to obtain as much information as possible about the case;

(d) consider, in the light of the information which it has been able to obtain and any representations or other observations made to it under sub-paragraph (a) or (b), whether in its opinion—

(i) in respect of an allegation of the kind mentioned in article 22(1)(a), there is a case to answer, and

(ii) in respect of an allegation of the kind mentioned in article 22(1)(b), whether the entry concerned has been fraudulently procured or incorrectly made.
(3) The Council shall by rules make provision as to the procedure to be followed by the Investigating Committee in any investigation carried out by it under this article.

(4) In the case of an allegation of the kind mentioned in article 22(1)(b) the rules shall, in particular, make similar provision to that made by virtue of article 32(2)(b), (f), (g), (h), (i), (j), (m), (n), (o) and (p) and may provide for the Registrar to be made a party to the proceedings.

(5) When the Investigating Committee reaches a decision under paragraph (2) as to whether—

   (a) there is a case to answer; or

   (b) an entry in the register has been fraudulently procured or incorrectly made,

it shall notify in writing both the person concerned and the person making the allegation, if any, of its decision, giving its reasons.

(6) Where the Investigating Committee concludes that there is a case to answer under paragraph (2)(d)(i), it shall—

   (a) undertake mediation; or

   (b) refer the case—

      (i) to Screeners for them to undertake mediation,

      (ii) to the Health Committee in the case of an allegation of a kind mentioned in article 22(1)(a)(iv), or

      (iii) to the Conduct and Competence Committee, in the case of any other allegation.

(6A) In deciding whether to act under paragraph (6)(a) or (b)(i), the Investigating Committee (or any panel by which a function under that paragraph is exercisable as mentioned in paragraph 18(2) of Schedule 1) must have regard to the over-arching objective of the Council under article 3(4)(read with article 3(4A)).

(7) In the case of an allegation of a kind mentioned in article 22(1)(b), if the Investigating Committee is satisfied that an entry in the register has been fraudulently procured or incorrectly made, it may make an order that the Registrar remove or amend the entry and shall notify the person concerned of his right of appeal under article 38.

(8) If the Investigating Committee concludes that there is no case to answer or that the relevant entry was not fraudulently procured or incorrectly made—

   (a) where requested to do so by the person concerned, it shall make a declaration to that effect, giving its reasons; and
(b) in any other case and with the consent of the person concerned, may make such a declaration.

(9) For the purposes of paragraph (8), the publication of the decision mentioned in paragraph (5) together with the reasons for it may constitute such a declaration.

(10) No order made under paragraph (7) shall have effect—

(a) before the expiry of the period within which an appeal against the order may be made; or

(b) where an appeal against the order has been made, before the appeal is withdrawn or otherwise finally disposed of.

(11) The Investigating Committee may make an interim order in accordance with article 31 at the same time as making an order under paragraph (7) or at any time before referring a case to the Health Committee or the Conduct and Competence Committee under paragraph (6).

(12) The Investigating Committee may review an order made under paragraph (7) if new evidence relevant to the order becomes available after the order has been made and may revoke that order if it considers that it should not have been made.

(13) Where the Investigating Committee makes an order under paragraph (7), or decides not to review such an order under paragraph (12), the person concerned may appeal to the appropriate Court and the provisions of article 38 shall apply to the appeal.

(14) Any such appeal must be brought before the end of the period of 28 days beginning with the date on which notice of the order or decision appealed against is served on the person concerned.

(15) On an appeal under this article, the Council shall be the respondent.

(16) An entry which has been restored to the register on an application for readmission or restoration being granted may be treated for the purposes of this article as having been fraudulently procured or incorrectly made if any previous entry from which the restored entry is derived was fraudulently procured or incorrectly made.

The Conduct and Competence Committee

(b) in any other case and with the consent of the person concerned, may make such a declaration.

(2) For the purposes of paragraph (1) the publication of the decision mentioned in article 32(2)(k) and the reasons for it may constitute such a declaration.

(3) If, having considered an allegation, the Health Committee or the Conduct and Competence Committee, as the case may be, concludes that it is well founded, it shall proceed in accordance with the remaining provisions of this article.

(4) The Committee may—

(a) refer the matter to Screeners for mediation or itself undertake mediation, or

   (b) the Privy Council shall consider the matter with a view to determining whether or not to suspend the member under paragraph (1) or to remove the member under article 6(1).

(6) If after considering the matter under paragraph (5)(b), the Privy Council decides not to suspend the member, and not to remove the member from office, the Council must terminate its provisional suspension of the member under its standing orders.

(7) The Privy Council—

   (a) may at any time review a suspension of a member by it; and

   (b) shall review any suspension of a member by it after 3 months from the start of the period of suspension, if requested to do so by the suspended member.

(8) Following a review, the Privy Council may—

   (a) terminate the suspension;

   (b) if that review is within 3 months of the end of a period of suspension, extend the suspension for a further period of up to 6 months from the date on which the suspension would otherwise come to an end.

   (a) sending it by post to the recipient; or
   (b) transmitting it by electronic means to the recipient: this is subject to paragraph (2).

(2) But a document may only be sent or served by electronic means if the recipient has, in writing (which includes in electronic form), notified the sender and has not withdrawn that notification that the recipient is willing to receive documents of that kind by those means.

(3) For the purposes of paragraph (2), where the intended recipient—
   (a) is not the Council, the Committee or the Registrar, the recipient must provide the sender with the recipient’s e-mail address;

(4) The Registrar may enter on the register any other information which is material to a registrant’s registration.
(5) The Registrar shall keep the register in a form and manner which guards against falsification and shall take all reasonable steps to ensure that only he and such persons as have been authorised by him in writing for the purpose shall be able to amend the register or have access to the version of the register which contains entries which are not included in the published version of the register.

(b) evidence that there is in force in relation to the applicant, or will be as necessary for the purpose of complying with article 11A of the Order, appropriate cover under an indemnity arrangement; and

9.—(1) A registrant shall notify the Registrar in writing within one month of any change in the registrant's name or home address as given in the register.

   (c) to give effect to any decision on appeal under article 37 or 38 of the Order; and
   (d) to reflect any other information which comes to the attention of the Registrar and which in the Registrar's opinion requires such an amendment to be made in order to maintain the register's accuracy.

(3) Before making any amendment under paragraph (2)(a) or (d) the Registrar may make such further enquiries or require such further evidence from the registrant concerned as appears to the Registrar to be appropriate.

Registration period

10.—(1) A person's registration period is to be determined in accordance with this rule.

(3) A person's first registration period shall begin on the day on which he is first registered in respect of the profession concerned and shall end on the next occurrence of the date shown in column 2 of Schedule 5 opposite the part of the register shown in column 1 of Schedule 5 in which he is registered.

(4) In respect of any registrant, subject to paragraph (5), a registration period subsequent to the first registration period shall begin on the day after the previous registration period ends and shall end on the next occurrence of the date shown in column 2 of Schedule 5 opposite the part of the register shown in column 1 of Schedule 5 in which he is registered.

(5) If a person's name is removed from the register and he is thereafter readmitted or restored to the register, his registration period shall begin on the day on which he is readmitted or restored and shall end on the next occurrence of the date shown in column 2 of Schedule 5 opposite the part of the register shown in column 1 of Schedule 5 in which he is registered.

(2) An application referred to in paragraph (1)(a) may either be—

(a) a written one, in the form determined by the Council and containing the declaration and information listed in Schedule 2; or

(b) an electronic one, in the manner and form required by the Registrar which includes the declaration and information which would be required if the application were a written one.

(3) If both the registrant’s application for the renewal of his registration and the renewal fee are not received by the Committee by the date specified in the registration renewal notice, the Committee shall send a notice to the registrant warning him that unless both his application and the renewal fee are received within the relevant period, his name may be removed from the register.

(4) The “relevant period” is a period of 14 days beginning with the day on which a warning notice is sent to the registrant.

(5) Where both the registrant’s application for the renewal of his registration and the renewal fee are not received within the relevant period, the Committee may direct the Registrar to remove the registrant from the register from the later of—

(a) the day on which that period expires, and

(b) the day on which the registrant’s registration would otherwise expire.

(6) Any notice given by the Committee to a registrant under this rule may—

(a) be sent by post to the home address of the registrant as it appears in the register and shall be treated as sent at the time of its posting; or

(b) where the registrant has given a written statement to the Registrar consenting to receive any such notice in an electronic form, it may be sent to the electronic address specified in that statement or in any superseding statement.24

(2) The Committee may at any time send a notice to a registrant requiring him to—

(a) submit his continuing professional development record for inspection; and

(b) provide the Committee with such other evidence as it may reasonably require,

within such time period as the Committee may specify in the notice (which shall be at least 21 days beginning with the day on which the notice was sent), for the purpose of determining whether the registrant has met the requirements of paragraph (1).

(3) Where, from the information supplied by the registrant in accordance with paragraph (2), the Committee is not satisfied that he has complied with a requirement imposed by paragraph (1)(a) or (b), the Committee shall send the registrant a notice—

(a) providing a statement of the reasons why the Committee is not satisfied that the registrant has complied with the requirement; and

(b) inviting the registrant to submit his observations on the matter by the date specified in the notice, which shall be at least 14 days after the date on which the notice was sent.

(4) If, after considering any observations, the Committee is of the view that the registrant has not complied with a requirement imposed by paragraph (1)(a) or (b), the Committee may instruct the Registrar to remove the name of the registrant from the register.

(5) If a registrant fails to respond to a notice sent to him by the Committee under paragraph (2) within the period specified in the notice, the Committee shall send him a further notice warning that, if he does not respond to the original notice before the end of the period of 14 days beginning with the day on which the further notice was sent, his name may be removed from the register.

(6) If a registrant does not respond by the date specified in the notice under paragraph (2) or the further notice under paragraph (5), then the Committee may instruct the Registrar to remove the name of the registrant from the register.

Information required on indemnity arrangements

11C.—(1) The Registrar may in accordance with paragraph (2) serve notice on a registrant to provide information to the Registrar for the purposes of determining whether, at any time, there is in force in relation to the registrant an indemnity arrangement which provides appropriate cover for the purpose of complying with article 11A of the Order.
(2) That notice must specify—
   (a) the information or evidence required to determine that the registrant has in force in relation to that registrant, an indemnity arrangement which provides appropriate cover for the purpose of complying with article 11A of the Order;

   (c) the time period for complying with the notice, which shall not be less than seven days beginning with the day on which the notice was sent.

(3) The Registrar may remove the registrant from the register where—
   (a) having considered any evidence or information provided in response to a notice under paragraph (2), the Registrar is not satisfied that a registrant has an indemnity arrangement which provides appropriate cover; or

(2) If, by the expiry of the specified time, the Committee—

(a) does not receive the written confirmation and evidence; or

(b) is not satisfied that the registrant has complied with the condition,

it shall send a notice to the registrant stating that, unless before the end of the period of 14 days beginning with the day on which the Committee sent the notice he provides the confirmation and evidence that he has complied with the condition his name will be removed from the register.

(3) If the written confirmation and evidence are not received or the Committee is not satisfied that the registrant has complied with the specified condition within the specified time, the Committee shall instruct the Registrar to remove the registrant's name from the register.

(4) Where the Committee instructs the Registrar to remove a registrant's name from the register in accordance with paragraph (3) the Committee shall send him a notice informing him of that fact and advising him of his right of appeal under article 37 of the Order.

(5) A person's registration shall not lapse and his name shall not be removed from the register under article 10(3) or 11 of the Order if that person—

(b) informing him of his right to be heard, and to be represented, at such a hearing.

(2) The Registrar may, and at the direction of the Committee shall, be a party to any proceedings.

7.—(1) The Committee or the Chair\(^ {43}\) may hold a preliminary meeting in private with the parties, their representatives and any other person the Committee or the Chair considers appropriate\(^ {44}\) if such a meeting would, in the opinion of the Committee or the Chair\(^ {45}\), assist the Committee to perform its functions.

**Conduct of hearing**

8.—(1) At any hearing in respect of a register entry allegation—

(a) the proceedings shall be held in public unless the Committee is satisfied that, in the interests of justice or for the protection of the private life of the registrant\(^ {47}\), the complainant, any person giving evidence or of any patient or client, the public should be excluded from all or part of the hearing;

(b) subject to sub-paragraph (c) the rules on the admissibility of evidence that apply in civil proceedings in the appropriate court in that part of the United Kingdom in which the hearing takes place shall apply;

(c) the Committee may hear or receive evidence which would not be admissible in such proceedings if it is satisfied that admission of that evidence is necessary in order to protect members of the public;

(2) For the purpose of paragraph (1)(b) the Committee may only inspect patient or client records with the consent of the patient or client concerned unless the records are provided in a form from which the patient or client cannot be identified.

(3) For the purpose of paragraph (1)(e) the Committee may only interview a person with his consent and a person who consents to be interviewed may be represented at that interview by any person, whether or not legally qualified, except a member of the Council or any of its committees or a person employed by the Council.

(4) The Committee may invite any person who, in its opinion, has an interest in the proceedings to submit written representations and any such representations shall be sent to the Committee before the end of the period of 14 days beginning with the date on which the invitation is sent to that person.

(5) The Committee shall provide the registrant with any information or opinion which the Committee has received and afford the registrant the opportunity to comment on that information or opinion either before or at any hearing conducted under rule 10.

Compliance with standards

9. Where the Committee has found that the registrant has failed to comply with the standards of conduct, performance and ethics established by the Council under article 21(1)(a) of the Order, the Committee may take that failure into account but such failure shall not be taken of itself to establish that the fitness to practise of the registrant is impaired.

Conduct of hearing

10.—(1) At any hearing—

(a) the proceedings shall be held in public unless the Committee is satisfied that, in the interests of justice or for the protection of the private life of the registrant, the complainant, any person giving evidence or of any patient or client, the public should be excluded from all or part of the hearing;

(b) subject to sub-paragraph (c) the rules on the admissibility of evidence that apply in civil proceedings in the appropriate court in that part of the United Kingdom in which the hearing takes place shall apply;

(c) the Committee may hear or receive evidence which would not be admissible in such proceedings if it is satisfied that admission of that evidence is necessary in order to protect members of the public;
(d) where the registrant has been convicted of a criminal offence, a certified copy of
the certificate of conviction (or, in Scotland, an extract conviction) shall be
admissible as proof of that conviction and of the findings of fact upon which it was
based;

(e) the Committee may require evidence to be given on oath or affirmation and for that
purpose may administer oaths or affirmations in an appropriate form;

(f) the Committee may adjourn the proceedings from time to time as it thinks fit; and

(g) the Committee may exclude from the hearing any person whose conduct, in its
opinion, is likely to disrupt the orderly conduct of the proceedings.

(2) In paragraph (1)(b) the "appropriate court" means—

(a) the Court of Session in Scotland;

(b) the High Court of Justice in Northern Ireland; and

(c) the High Court of Justice in England and Wales.

(3) The Committee may require any person (other than the registrant) to attend a hearing
and give evidence or produce documents.

(4) At the beginning of any hearing the Chair shall explain to the parties the order of
proceedings which the Committee proposes to adopt and, unless the Committee determines
otherwise, the parties shall be heard in the following order—

(a) the Chair shall invite the Presenting Officer to present the case against the
registrant and to adduce the evidence in support of that case;

(b) any witness called by the Presenting Officer shall be examined by him, may be
cross-examined by the registrant or his representative, may be re-examined by
the Presenting Officer and may be questioned by the Committee;

(c) at the conclusion of the case against the registrant the Chair shall invite the
registrant or his representative to address the Committee and to adduce evidence
as to the registrant’s fitness to practise;

(d) any witness called by the registrant shall be examined by him or his
representative, may be cross-examined by the Presenting Officer, may be re-
examined by the registrant or his representative and may be questioned by the
Committee;

(e) the Chair shall invite the Presenting Officer to address the Committee again;
the registrant or his representative may then address the Committee for a second time.

Vulnerable witnesses

10A.—(1) In proceedings before the Committee, the following may, if the quality of their evidence is likely to be adversely affected as a result, be treated as a vulnerable witness—

(a) any witness under the age of 17 at the time of the hearing;
(b) any witness with a mental disorder within the meaning of the Mental Health Act 1983;
(c) any witness who is significantly impaired in relation to intelligence and social functioning;
(d) any witness with physical disabilities who requires assistance to give evidence;
(e) any witness, where the allegation against the practitioner is of a sexual nature and the witness was the alleged victim; and
(f) any witness who complains of intimidation.

(2) Subject to any representations from the parties and the advice of the Legal Assessor, the Committee may adopt such measures as it considers desirable to enable it to receive evidence from a vulnerable witness.

(3) Measures adopted by the Committee may include, but shall not be limited to—

(a) use of video conferencing facilities;
(b) use of pre-recorded evidence as the evidence-in-chief of a witness, provided that the witness is available at the hearing for cross-examination and questioning by the Committee;
(c) use of interpreters (including signers and translators) or intermediaries;
(d) use of screens or such other measures as the Committee consider necessary in the circumstances, in order to prevent—
   (i) the identity of the witness being revealed to the press or the general public; or
   (ii) access to the witness by the registrant; and
(e) the hearing of evidence by the Committee in private.
(4) Where—

(a) the allegation against a registrant is based on facts which are sexual in nature;

(b) a witness is an alleged victim; and

(c) the registrant is acting in person,

the registrant shall only be allowed to cross-examine the witness in person with the written consent of the witness.

(5) If, in the circumstances set out in paragraph (4) a witness does not provide written consent, the registrant shall, not less than seven days before the hearing, appoint a legally qualified person to cross-examine the witness on his behalf and, in default, the Council shall appoint such a person on behalf of the registrant.

Meetings and hearings

10B. — (1) The Committee may arrange for a meeting or hearing under these Rules to be conducted using audio or video conferencing facilities.

(2) Where a meeting or hearing uses audio or video conferencing facilities in accordance with paragraph (1), any notice sent under these Rules giving notice of the meeting or hearing must include the details of any audio or video conferencing arrangements required to access that meeting or hearing.

Absence of the registrant

11. Where the registrant is neither present nor represented at a hearing, the Committee may nevertheless proceed with the hearing if it is satisfied that all reasonable steps have been taken to serve the notice of the hearing under rule 6(1) on the registrant.

Disposal of cases

12. — (1) Where the Committee concludes its consideration of an allegation it shall dispose of the case in accordance with article 29 of the Order.

(2) The Committee shall notify the registrant and the complainant of its decision and the reasons for reaching that decision and shall inform the registrant of his right of appeal.

Review of orders and applications for restoration to the register

13. — (1) Where the Committee proposes to—

(a) review an order in accordance with article 30 of the Order; or
(b) consider an application for restoration in accordance with article 33 of the Order, it shall without delay send a notice to the relevant person informing him of his right to appear, and to be represented, before the Committee to argue his case.

(2) For the purposes of this rule "relevant person" means—

(a) a person against whom an order has been made under article 29 of the Order and which may be reviewed under article 30 of the Order; or

(b) a person applying under article 33 of the Order for restoration to the register.

(3) Where the relevant person, before the end of the period of 28 days beginning with the date on which the notice under paragraph (1) is sent, sends a notice to the Committee stating that he wishes to appear before it, the Committee shall fix a day on which it is to hear the case and send to the relevant person notice of the day, time and venue for the hearing.

(4) The Committee shall not fix a date for the hearing which is before the end of the period of 28 days beginning with the day on which the relevant person sends the notice referred to in paragraph (3) to the Committee.

(5) The relevant person may be represented in any proceedings by any person, whether or not legally qualified, except a member of the Council or any of its committees or a person employed by the Council.

(6) The Committee may require any person (other than the relevant person) to attend and give evidence or produce documents at any hearing to be held under paragraph (3).

(7) The Committee may invite any person who, in its opinion, has an interest in the proceedings to submit written representations and any such representations shall be sent to the Committee before the end of the period of 14 days beginning with the date on which the invitation is sent to that person.

(8) The Committee or the Chair may hold a preliminary meeting in private with the parties, their representatives and any other person the Committee or the Chair considers appropriate if such a meeting would, in the opinion of the Committee or the Chair, assist the Committee to perform its functions.

(9) At any meeting which he conducts under paragraph (8) the Chair may give directions under article 32(3) of the Order and, with the agreement of the parties, take any action which the Committee would be competent to take at such a meeting.

(10) Subject to rule 10B, a hearing under paragraph (3) shall be conducted in accordance with rule 10 but, where the proceedings relate to an application made by the relevant person, the Committee shall adopt an order of proceedings which provides for that person to present his case first and for the Presenting Officer to speak last.
(11) The Committee shall notify the relevant person of its decision and the reasons for reaching that decision and shall inform him of his right of appeal.

**Extension of time limits**

14. The time for—

(a) requesting that a hearing be held specified in rule 5(1)(c);

(b) a person giving notice that he wishes to appear before the Committee specified in rule 13(3);

(c) sending written representations specified in:

(i) rule 5(1)(b),

(ii) rule 8(4),

(iii) rule 13(7); or

(d) dealing with any points raised by the Committee in respect of any written representations mentioned in rule 5(2).

may be extended by the Chair where the Chair is satisfied that in all the circumstances it is reasonable to do so.

(iii) the member ceases to be a member of the Council or a Practice Committee.¹⁰

Preliminary meetings

10.—(1) The Appeal Panel or the Chair may hold a preliminary meeting in private with the parties, their representatives and any other person the Panel or the Chair considers appropriate if such a meeting would, in the opinion of the Panel or the Chair, assist the panel to perform its functions.

(2) At any meeting he conducts under paragraph (1) the Chair may give directions under article 32(3) of the Order and, with the agreement of the parties, take any action which the Appeal Panel would be competent to take at such a meeting.

Powers to determine an appeal without a hearing

11.—(1) The Appeal Panel may determine an appeal without an oral hearing on the basis of any documents provided by the appellant under rule 5 or 8(2) where—

(a) the Council does not receive a reply from the appellant within the time specified in rule 8(1) and the Appeal Panel is satisfied that all reasonable steps have been taken to give notice under rule 7(1), or the appellant replies under rule 8(1) to the effect that he does not wish to attend or be represented;

(b) the Appeal Panel has notified the appellant and the Committee of its intention to do so; and
(c) the Appeal Panel considers it desirable to do so having taken into account any representations received in response to the notice referred to in paragraph (b).

(2) If the Appeal Panel decides under paragraph (1) to determine an appeal without an oral hearing, it may take into account any written representations provided in accordance with rule 8(5) or written representations from the Committee received by the Council before the beginning of the period of 7 days ending with the date on which the Appeal Panel determines the appeal.

Postponement or adjournment of hearing

12. — (1) The Appeal Panel, either of its own motion or at the request of a party to the hearing, may postpone a hearing at any time before it begins and may adjourn the proceedings from time to time as it thinks fit.

(2) Where a hearing is postponed the Registrar shall send the appellant notice of the date on which the Appeal Panel is to hold the postponed hearing.

(3) The date for a postponed hearing shall not be fixed for any date before the end of the period of 14 days beginning with the day on which the Registrar sends the notice referred to in paragraph (2) to the appellant.

Absence of the appellant

13. Where —

(a) the Council has fixed a date for a hearing; and

(b) the appellant has informed the Council that he intends to attend or be represented; but

(c) he does not attend and is not represented,

the Appeal Panel may nevertheless proceed with the hearing if it is satisfied that all reasonable steps have been taken to give notice of the hearing to the appellant.

Conduct of hearing

14. — (1) The hearing shall be held in public unless the Appeal Panel is satisfied that, in the interests of justice or for the protection of the private life of the appellant, the complainant, any person giving evidence or of any patient or client, the public should be excluded from all or part of the hearing.

(2) At the beginning of the hearing the Chair shall explain to the parties the order of proceedings which the Appeal Panel proposes to adopt.
(3) The Appeal Panel shall conduct the hearing in such manner as it considers most suitable to the clarification of the issues before it and generally to the just handling of the proceedings and the parties shall be heard in such order as the Appeal Panel shall determine having regard to the following—

(b) the appellant or any person called on his behalf may be cross-examined by the Committee and, in the case of a person called on his behalf, re-examined by the appellant;

(c) the Committee may present its case in support of the decision appealed against or its failure to issue a decision;

(d) the Committee or any person called on its behalf may be cross-examined by the appellant and, in the case of a person called on its behalf, re-examined by the Committee;

(e) the Committee may address the Appeal Panel on its case in respect of the decision appealed against or its failure to issue a decision; and

(f) the appellant may address the Appeal Panel on his case in respect of his appeal.

(4) The parties shall be entitled to give evidence, to call witnesses, to question any witnesses and to address the Appeal Panel both on the evidence and generally on the subject matter of the appeal.

(5) Subject to paragraph (6) where the appellant or the Committee are represented, references in paragraphs (3) and (4) to the Committee or the appellant—

(a) presenting the case;

(b) calling, or questioning witnesses;

(c) cross-examining or re-examining witnesses; or

(d) addressing the panel,

shall be read as references to the representative of the Committee or the appellant as the case may be.

(6) Except as provided in paragraph (5) references in paragraph (3) to the Committee shall be references to the Chair of the Committee or any other person nominated by the Committee to appear on its behalf.

(4) The Appeal Panel may require any person (other than the appellant) to attend a hearing and give evidence or produce documents.

(5) At any hearing the Appeal Panel may, if it is satisfied that it is just and reasonable to do so, permit a party to rely on grounds not stated in the notice of appeal or to adduce any evidence not presented to the Committee before it took the disputed decision.

(6) Where the appellant has been convicted of a criminal offence, a certified copy of the certificate of conviction (or, in Scotland, an extract conviction) shall be admissible as proof of that conviction and of the findings of fact upon which it was based.

(7) The Appeal Panel may require evidence to be given on oath or affirmation and for that purpose may administer oaths or affirmations in an appropriate form.

Disposal of cases
