Standards of proficiency

**Comparison table:**

*Speech and language therapists*

This table compares the standards of proficiency that came into effect on 1 September 2023 (left) and the standards that were in place before that date (right).

<table>
<thead>
<tr>
<th>Current standards (2023)</th>
<th>Previous standards (pre-2023)</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>At the point of registration, speech and language therapists must be able to:</strong></td>
<td>Registrant speech and language therapists must:</td>
</tr>
<tr>
<td>1 practise safely and effectively within their scope of practice</td>
<td>be able to practise safely and effectively within their scope of practice</td>
</tr>
<tr>
<td>1.1 identify the limits of their practice and when to seek advice or refer to another professional or service</td>
<td>know the limits of their practice and when to seek advice or refer to another professional</td>
</tr>
<tr>
<td>1.2 recognise the need to manage their own workload and resources safely and effectively, including managing the emotional burden that comes with working in a pressured environment</td>
<td>recognise the need to manage their own workload and resources effectively and be able to practise accordingly</td>
</tr>
<tr>
<td>1.3 keep their skills and knowledge up to date and understand the importance of continuing professional development throughout their career</td>
<td></td>
</tr>
<tr>
<td><strong>2 practise within the legal and ethical boundaries of their profession</strong></td>
<td></td>
</tr>
<tr>
<td>2.1 maintain high standards of personal and professional conduct</td>
<td>understand the need to act in the best interests of service users at all times</td>
</tr>
<tr>
<td>2.2 promote and protect the service user’s interests at all times</td>
<td>understand what is required of them by the Health and Care Professions Council</td>
</tr>
<tr>
<td>2.3</td>
<td>understand the importance of safeguarding by actively looking for signs of abuse, demonstrating understanding of relevant safeguarding processes and engaging in these processes where necessary</td>
</tr>
<tr>
<td>2.4</td>
<td>understand what is required of them by the Health and Care Professions Council, including, but not limited to, the standards of conduct, performance and ethics</td>
</tr>
<tr>
<td>2.5</td>
<td>respect and uphold the rights, dignity, values and autonomy of service users, including their role in the assessment, diagnostic, treatment and/or therapeutic process</td>
</tr>
<tr>
<td>2.6</td>
<td>recognise that relationships with service users, carers and others should be based on mutual respect and trust, maintaining high standards of care in all circumstances</td>
</tr>
<tr>
<td>2.7</td>
<td>understand the importance of and be able to obtain valid consent, which is voluntary and informed, has due regard to capacity, is proportionate to the circumstances and is appropriately documented</td>
</tr>
<tr>
<td>2.8</td>
<td>understand the importance of capacity in the context of delivering care and treatment</td>
</tr>
<tr>
<td>2.9</td>
<td>understand the scope of a professional duty of care, and exercise that duty</td>
</tr>
<tr>
<td>2.10</td>
<td>understand and apply legislation, policies and guidance relevant to their profession and scope of practice</td>
</tr>
<tr>
<td>2.11</td>
<td>recognise the power imbalance that comes with being a healthcare professional, and ensure they do not abuse this for personal gain</td>
</tr>
<tr>
<td>2.12</td>
<td>understand the ethical and legal implications of withholding and withdrawing feeding and nutrition and the impact of social, psychological and medical factors to service users’ communication difficulties and/or swallowing status</td>
</tr>
<tr>
<td>2.13</td>
<td>understand the centrality of home language(s) to a service user’s identity, family life and community (culture and/or religion), by working to maintain, develop or enhance a client’s home language</td>
</tr>
</tbody>
</table>

<p>| 3 | look after their health and wellbeing, seeking appropriate support where necessary |
| 3.1 | identify anxiety and stress in themselves and recognise the potential impact on their practice |
| 3.2 | understand the importance of their own mental and physical health and wellbeing strategies in maintaining fitness to practise |
| 3.3 | understand how to take appropriate action if their health may affect their ability to practise safely and effectively, including seeking help and support when necessary |
| 3.4 | develop and adopt clear strategies for physical and mental self-care and self-awareness, to maintain a high standard of professional effectiveness and a safe working environment |</p>
<table>
<thead>
<tr>
<th>4</th>
<th>practise as an autonomous professional, exercising their own professional judgement</th>
<th>be able to practise as an autonomous professional, exercising their own professional judgement</th>
</tr>
</thead>
<tbody>
<tr>
<td>4.1</td>
<td>recognise that they are personally responsible for, and must be able to justify, their decisions and actions</td>
<td>be able to assess a professional situation, determine the nature and severity of the problem and call upon the required knowledge and experience to deal with the problem</td>
</tr>
<tr>
<td>4.2</td>
<td>use their skills, knowledge and experience, and the information available to them, to make informed decisions and/or take action where necessary</td>
<td>be able to make reasoned decisions to initiate, continue, modify or cease treatment or the use of techniques or procedures, and record the decisions and reasoning appropriately</td>
</tr>
<tr>
<td>4.3</td>
<td>make reasoned decisions to initiate, continue, modify or cease treatment, or the use of techniques or procedures, and record the decisions and reasoning appropriately</td>
<td>be able to initiate resolution of problems and be able to exercise personal initiative</td>
</tr>
<tr>
<td>4.4</td>
<td>make and receive appropriate referrals, where necessary</td>
<td>recognise that they are personally responsible for and must be able to justify their decisions</td>

<tr>
<td>7.3</td>
<td>Understand the characteristics and consequences of verbal and non-verbal communication and recognise how these can be affected by difference of any kind, including, but not limited to, protected characteristics, intersectional experiences and cultural differences</td>
<td>Be able to recognise and respond appropriately to situations where it is necessary to share information to safeguard service users or the wider public</td>
</tr>
<tr>
<td>7.4</td>
<td>Work with service users and/or their carers to facilitate the service user’s preferred role in decision-making, and provide service users and carers with the information they may need where appropriate</td>
<td>Be aware that the concepts of confidentiality and informed consent extend to illustrative records such as photography, video and audio recordings</td>
</tr>
<tr>
<td>7.5</td>
<td>Modify their own means of communication to address the individual communication needs and preferences of service users and carers, and remove any barriers to communication where possible</td>
<td></td>
</tr>
<tr>
<td>7.6</td>
<td>Understand the need to support the communication needs of service users and carers, such as through the use of an appropriate interpreter</td>
<td></td>
</tr>
<tr>
<td>7.7</td>
<td>Use information, communication and digital technologies appropriate to their practice</td>
<td></td>
</tr>
<tr>
<td>7.8</td>
<td>understand the need to provide service users or people acting on their behalf with the information necessary, in accessible formats, to enable them to make informed decisions</td>
<td></td>
</tr>
<tr>
<td>7.9</td>
<td>recognise the possible contribution of social, psychological and medical factors to service users’ communication difficulties and/or swallowing status</td>
<td></td>
</tr>
<tr>
<td>8</td>
<td>work appropriately with others</td>
<td>be able to communicate effectively</td>
</tr>
<tr>
<td>8.1</td>
<td>work in partnership with service users, carers, colleagues and others</td>
<td>be able to demonstrate effective and appropriate verbal and non-verbal skills in communicating information, advice, instruction and professional opinion to service users, their relatives and carers, colleagues and others</td>
</tr>
<tr>
<td>8.2</td>
<td>recognise the principles and practices of other health and care professionals and systems and how they interact with their profession</td>
<td>be able to communicate in English to the standard equivalent to level 8 of the International English Language Testing System, with no element below 7.5</td>
</tr>
<tr>
<td>8.3</td>
<td>understand the need to build and sustain professional relationships as both an autonomous practitioner and collaboratively as a member of a team</td>
<td>understand how communication skills affect assessment of, and engagement with, service users and how the means of communication should be modified to address and take account of factors such as age, capacity, learning ability and physical ability</td>
</tr>
<tr>
<td>8.4</td>
<td>contribute effectively to work undertaken as part of a multi-disciplinary team</td>
<td>be able to select, move between and use appropriate forms of verbal and non-verbal communication with service users and others</td>
</tr>
<tr>
<td>8.5</td>
<td>identify anxiety and stress in service users, carers and colleagues, adapting their practice and providing support where appropriate</td>
<td>be aware of the characteristics and consequences of verbal and non-verbal communication and how this can be affected by factors such as age, culture, ethnicity, gender, socio-economic status and spiritual or religious beliefs</td>
</tr>
<tr>
<td>8.6</td>
<td>understand the qualities, behaviours and benefits of leadership</td>
<td>understand the need to provide service users or people acting on their behalf with the information necessary in accessible formats to enable them to make informed decisions</td>
</tr>
<tr>
<td>8.7</td>
<td>recognise that leadership is a skill all professionals can demonstrate</td>
<td>understand the need to assist the communication needs of service users such as through the use of an appropriate interpreter, wherever possible</td>
</tr>
<tr>
<td>8.8</td>
<td>identify their own leadership qualities, behaviours and approaches, taking into account the importance of equality, diversity and inclusion</td>
<td>recognise the need to use interpersonal skills to encourage the active participation of service users</td>
</tr>
<tr>
<td>8.9</td>
<td>demonstrate leadership behaviours appropriate to their practice</td>
<td></td>
</tr>
<tr>
<td>8.10</td>
<td>act as a role model for others</td>
<td></td>
</tr>
<tr>
<td>8.11</td>
<td>promote and engage in the learning of others</td>
<td></td>
</tr>
<tr>
<td>8.12</td>
<td>work in partnership with service users and carers in planning and evaluating assessments, treatments and interventions to meet their needs and goals</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>---</td>
<td>---</td>
<td>---</td>
</tr>
<tr>
<td>8.13</td>
<td>understand the role of the speech and language therapist in taking the lead responsibility on speech and language communication and swallowing within a multi-professional forum</td>
<td></td>
</tr>
<tr>
<td>8.14</td>
<td>recognise that the need to work with others includes health, social care and educational professionals</td>
<td></td>
</tr>
<tr>
<td>8.15</td>
<td>recognise the importance of working in partnership with service users and their families</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>9</td>
<td>maintain records appropriately</td>
<td>be able to work appropriately with others</td>
</tr>
<tr>
<td>9.1</td>
<td>keep full, clear and accurate records in accordance with applicable legislation, protocols and guidelines</td>
<td>be able to work, where appropriate, in partnership with service users, their relatives and carers, other professionals, support staff and others</td>
</tr>
<tr>
<td>9.2</td>
<td>manage records and all other information in accordance with applicable legislation, protocols and guidelines</td>
<td>understand the need to build and sustain professional relationships as both an autonomous practitioner and collaboratively as a member of a team</td>
</tr>
<tr>
<td>9.3</td>
<td>use digital record keeping tools, where required</td>
<td>understand the need to work in partnership with service users and carers in planning and evaluating diagnostics, treatments and interventions to meet their needs and goals</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td>9.4 be able to contribute effectively to work undertaken as part of a multi-disciplinary team</td>
<td></td>
</tr>
<tr>
<td></td>
<td>9.5 understand the role of the speech and language therapist in taking the lead responsibility on speech and language communication and swallowing within a multi-professional forum</td>
<td></td>
</tr>
<tr>
<td></td>
<td>9.6 recognise that the need to work with others includes health, social care and educational professionals</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td>9.7 recognise the importance of working in partnership with service users and their families</td>
</tr>
<tr>
<td>---</td>
<td>---</td>
<td>---</td>
</tr>
<tr>
<td>10</td>
<td>reflect on and review practice</td>
<td>be able to maintain records appropriately</td>
</tr>
<tr>
<td>10.1</td>
<td>understand the value of reflective practice and the need to record the outcome of such reflection to support continuous improvement</td>
<td>be able to keep accurate, comprehensive and comprehensible records in accordance with applicable legislation, protocols and guidelines</td>
</tr>
<tr>
<td>10.2</td>
<td>recognise the value of multi-disciplinary reviews, case conferences and other methods of review</td>
<td>recognise the need to manage records and all other information in accordance with applicable legislation, protocols and guidelines</td>
</tr>
<tr>
<td>11</td>
<td>assure the quality of their practice</td>
<td>be able to reflect on and review practice</td>
</tr>
<tr>
<td>11.1</td>
<td>engage in evidence-based practice</td>
<td>understand the value of reflection on practice and the need to record the outcome of such reflection</td>
</tr>
<tr>
<td>11.2</td>
<td>gather and use feedback and information, including qualitative and quantitative data, to evaluate the response of service users to their care</td>
<td>recognise the value of case conferences and other methods of review</td>
</tr>
<tr>
<td>11.3</td>
<td>monitor and systematically evaluate the quality of practice, and maintain an effective quality management and quality assurance process working towards continual improvement</td>
<td></td>
</tr>
<tr>
<td>11.4</td>
<td>participate in quality management, including quality control, quality assurance, clinical governance and the use of appropriate outcome measures</td>
<td></td>
</tr>
<tr>
<td>11.5</td>
<td>evaluate care plans or intervention plans using recognised and appropriate outcome measures, in conjunction with the service user where possible, and revise the plans as necessary</td>
<td></td>
</tr>
<tr>
<td>11.6</td>
<td>recognise the value of gathering and using data for quality assurance and improvement programmes</td>
<td></td>
</tr>
<tr>
<td>12</td>
<td>understand and apply the key concepts of the knowledge base relevant to their profession</td>
<td>be able to assure the quality of their practice</td>
</tr>
<tr>
<td>12.1</td>
<td>understand the structure and function of the human body, together with knowledge of physical and mental health, disease, disorder and dysfunction relevant to their profession</td>
<td>be able to engage in evidence-based practice, evaluate practice systematically and participate in audit procedures</td>
</tr>
<tr>
<td>12.2</td>
<td>demonstrate awareness of the principles and applications of scientific enquiry, including the evaluation of treatment efficacy and the research process</td>
<td>be able to gather information, including qualitative and quantitative data, that helps to evaluate the responses of service users to their care</td>
</tr>
<tr>
<td>12.3</td>
<td>recognise the role(s) of other professions in health and social care and understand how they may relate to the role of speech and language therapist</td>
<td>be aware of the role of audit and review in quality management, including quality control, quality assurance and the use of appropriate outcome measures</td>
</tr>
<tr>
<td>12.4</td>
<td>understand the structure and function of health and social care systems and services in the UK</td>
<td>be able to maintain an effective audit trail and work towards continual improvement</td>
</tr>
<tr>
<td>12.5</td>
<td>understand the theoretical basis of, and the variety of approaches to, assessment and intervention taking account of the need to modify approaches in line with cultural, religious and linguistic needs</td>
<td>be aware of, and be able to participate in, quality assurance programmes, where appropriate</td>
</tr>
<tr>
<td>12.6</td>
<td>understand educational theory and practice and the relationship between language and literacy in relation to speech and language therapy, including sound-awareness and school readiness skills</td>
<td>be able to evaluate intervention plans using recognised outcome measures and revise the plans as necessary in conjunction with the service user</td>
</tr>
<tr>
<td>12.7</td>
<td>understand linguistics and phonetics, psycholinguistics, sociolinguistics and all levels of typical processing and the differences for individuals whose home language is not English</td>
<td>recognise the need to monitor and evaluate the quality of practice and the value of contributing to the generation of data for quality assurance and improvement programmes</td>
</tr>
<tr>
<td>12.8</td>
<td>understand biomedical and medical sciences as relevant to the development and maintenance of communication and swallowing</td>
<td></td>
</tr>
<tr>
<td>12.9</td>
<td>understand psychology as relevant to lifespan development and change, typical and impaired communication, and psychological and social wellbeing</td>
<td></td>
</tr>
<tr>
<td>12.10</td>
<td>understand sociology in relation to the practice of speech and language therapy, including its application to educational, health and workplace settings and within multi-cultural societies</td>
<td></td>
</tr>
<tr>
<td>12.11</td>
<td>understand therapeutic contexts, models and processes, relevant to the practice of speech and language therapy</td>
<td></td>
</tr>
<tr>
<td>12.12</td>
<td>understand developmental and acquired disorders of speech, language, communication and swallowing</td>
<td></td>
</tr>
<tr>
<td>12.13</td>
<td>understand the diversity of client’s cultural background, including awareness of cultural groups, protected characteristics and social class</td>
<td></td>
</tr>
<tr>
<td></td>
<td>13.1</td>
<td>13.2</td>
</tr>
<tr>
<td>---</td>
<td>------</td>
<td>------</td>
</tr>
<tr>
<td></td>
<td>draw on appropriate knowledge and skills to inform practice</td>
<td>understand the key concepts of the knowledge base relevant to their profession</td>
</tr>
<tr>
<td>13</td>
<td>change their practice as needed to take account of new developments, technologies and changing contexts</td>
<td>gather appropriate information</td>
</tr>
<tr>
<td>13.11</td>
<td>engage service users in research as appropriate</td>
<td>understand sociology in relation to the practice of speech and language therapy, including its application to educational, health and workplace settings and within multi-cultural societies</td>
</tr>
<tr>
<td>13.12</td>
<td>formulate specific and appropriate management plans, including the setting of timescales</td>
<td>understand therapeutic contexts, models and processes, relevant to the practice of speech and language therapy</td>
</tr>
<tr>
<td>13.13</td>
<td>administer, record, score and interpret a range of published and self-generated assessment tools to describe and analyse service users’ abilities and needs using, where appropriate, phonetic transcription, linguistic analysis, instrumental analysis and psycholinguistic assessment</td>
<td>understand developmental and acquired impairments of speech, language, communication and swallowing</td>
</tr>
<tr>
<td>13.14</td>
<td>apply knowledge of communication impairment, linguistics, phonetics, psychology and biomedical sciences to the identification, assessment and differential diagnosis of a range of communication and swallowing impairments</td>
<td></td>
</tr>
<tr>
<td>13.15</td>
<td>understand health education and how it relates to communication and swallowing</td>
<td></td>
</tr>
<tr>
<td>13.16</td>
<td>recognise the influence of situational contexts on communicative functioning and swallowing status</td>
<td></td>
</tr>
<tr>
<td>13.17</td>
<td>evaluate the effects of communication difficulties and swallowing status on the psychosocial wellbeing of service users, their families and carers</td>
<td></td>
</tr>
</tbody>
</table>
| 13.18 | as a core professional skill for speech and language therapists, communicate in English to the standard equivalent to level 8 of the International English Language Testing System, with no element below 7.5

This requirement is stricter for speech and language therapists than for all other HCPC registered professions, as communication in English is a core professional skill. |

| 13.19 | use knowledge of speech and language therapy to assess and work with people with the following impairments:
- acquired speech and language impairments;
- developmental or acquired cognitive impairments;
- developmental speech and language disorders;
- dysfluency;
- dysphagia; and
- voice disorders or voice modification needs |

| 13.20 | assess and plan interventions in the service user’s home language with the assistance of professional interpreters, and with reference to professional clinical guidelines and evidence-based practice |

| 14 | establish and maintain a safe practice environment | be able to draw on appropriate knowledge and skills to inform practice |

<p>| 14.1 | understand the need to maintain the safety of themself and others, including service users, carers and colleagues | be able to change their practice as needed to take account of new developments or changing contexts |
| 14.2 | demonstrate awareness of relevant health and safety legislation and comply with all local operational procedures and policies | be able to conduct appropriate diagnostic or monitoring procedures, treatment, therapy or other actions safely and effectively |
| 14.3 | work safely, including being able to select appropriate hazard control and risk management, reduction or elimination techniques, in a safe manner and in accordance with health and safety legislation | be able to formulate specific and appropriate management plans including the setting of timescales |
| 14.4 | select appropriate personal protective equipment and use it correctly | be able to gather appropriate information |
| 14.5 | establish safe environments for practice, which appropriately manage risk | be able to select and use appropriate assessment techniques |
| | 14.6 be able to undertake and record a thorough, sensitive and detailed assessment, using appropriate techniques and equipment | |
| | 14.7 be able to administer, record, score and interpret a range of published and self-generated assessment tools to describe and analyse service users’ abilities and needs using, where appropriate, phonetic transcription, linguistic analysis, instrumental analysis and psycholinguistic assessment | |
| | 14.8 be able to undertake or arrange investigations as appropriate | |
| | 14.9 be able to analyse and critically evaluate the information collected | |
| | 14.10 be able to demonstrate a logical and systematic approach to problem solving | |
| | 14.11 be able to use research, reasoning and problem solving skills to determine appropriate actions | |
| | 14.12 recognise the value of research to the critical evaluation of practice | |</p>
